14<sup>th</sup> February 2018

Dear Parents/Carers,

We're pleased to let you know that 'Magical Maths' will again be running a series of fun and educational afterschool maths sessions, at our school, led by their Maths Professor and his friends. They are specially designed to get your child more engaged with the subject of mathematics and would make an extremely exciting start to the new school year. We would like to invite your child/children to come along and join us for some fantastic mathematical fun!

There will be a total of 6 sessions which will be available to both KS1 and KS2 children (although the two sessions will be run separately to cater for the age ranges). They will take place on Tuesdays, 3.15-4.15pm, on the following dates:

- 1<sup>st</sup>, 8<sup>th</sup>, 15<sup>th</sup>, 22<sup>nd</sup> and 29<sup>th</sup> March 2018

The cost of all 6 sessions is £37 per child.

Magical Maths club is packed full of exciting games and activities that are super fun and highly educational- designed to boost children's confidence and better engage them with maths. Please view the following website (<https://magicalmathsclub.com/comingsoon>) to find out more about these exciting sessions and to give you a chance to 'beat the rush' and book your child's place before the club fills up. Please be aware that there is limited availability and places will be allocated on a first come first served basis. All bookings and payments will need to take place through the website.

Thank you for your continued support and we will hopefully see your child at the Magical Maths club- it was a huge success last term!

Yours Mathemagically,

Mrs Gibbins  
Deputy Head Teacher and Mathematics Lead
