

Year 6 Enterprise week

Year 6 had a fantastic week last week taking part in Enterprise Week, where they utilised their skills though ICT, Maths, English and Art to design and make a product which they sold during the trade fair on Friday afternoon. Each team was given a budget of £30 to generate a 'viable' product to be sold, using their advertising and presentation skills to 'hype' up their product. Reigning champion Mr Davis was again back to his perilous best - with yet another risk rewarding product of 'slime' to hook in the children. Other products that were on sale were: Chocolate marshmallows; popcorn; fidget spinners; badges; ice-cream; chocolate coated apples and bracelets. We also invited in two of our school governors to play 'Dragons' in our very own Dragons Den, where two children from each team presented their product and defended it - they were given additional money to add towards their total sales based upon how well they 'sold' their product to them. Over £700 was raised which to-date has been the best ever, surpassing the £400 that was made last year. Congratulations go out (again) to Mr Davis and his team who made a staggering £160 profit!

Up coming events
