

KEEPING OUR CHILDREN SAFE

Medical information

Please ensure that school has your child's up to date medical information. If you need to provide us with any changes or further information then please contact the school office to speak to Mrs Heer.

Contact Details

If your contact details such as your mobile number has changed then please ensure you come into school and update your child's emergency details in the office as soon as possible.

Collecting your child

If someone different is coming to collect your child then please ensure you have called school to confirm who is collecting- giving the person's full name, how they are related to the child, plus a description of the person.

The person collecting should know your child's password and also have photo ID.

Road safety

Please do not compromise the safety of our children and families by driving onto and off the pavements, and parking on the pavement.

Can we also remind you not to stop or park on the zigzag lines when you drop your children off in the morning.

Finally, please be mindful of our neighbours, and don't park on their grass verges or in front of their drive.

Thank you for supporting us in keeping our children safe.
