15th December 2017

Dear Parents / Carers

With continued pressure on our school's finances and resources, we continue to monitor the levels of outstanding balances across Perry Hall Primary School for school meals, trips, residential visits and extended school services.

Many thanks for those who regularly keep their payments for appropriate payment items in line with due dates, however there are some accounts which are now well overdue and we wish to continue to work with these families to ensure payment plans are put in place to ensure balances are reduced as quickly as possible.

Regular payment for school meals (£2.40 per day / £12 per week) has been the topic of previous letters and we thank those of you who ensure that monies are always paid when due. Others have been contacted by either the school front office or Trust Business Team to agree suitable payment and we wish to develop these discussions.

Another area of particular note is extended school services. Please be aware that with effect from January 2018 unless payment is received in advance / on the day for booked places at Breakfast Club & After School Club then admission to the facility will be denied.

We have also been considering the costs associated with all areas of managing the school, including the management of cash payments on site via the front office. As a result of our review, we also write to advise you that with effect from the New Year, Perry Hall Primary School will not be accepting cash payments direct to staff.

You will be able to credit your child's cashless account (including school meals, trips, residential visits and extended services) in one of two ways:

- Via Parentpay, our convenient and secure online payment method using a credit or debit card. We continue to thank those of you who use this system and encourage those of you who have still not activated your account to do so at your earliest convenience. Full details can be found at www.parentpay.com
- Via Paypoint, at local convenience stores whereby cash payments can be made via use of a Paypoint card. A request for a card will need to be made via the front office and again we thank those parents / carers that have made these requests recently. Payments made by this method can also be viewed online by logging onto Parentpay.
