

How can you support your child during the Spring Term...?

Parents Evening– a reminder that parent consultation meetings will be taking place on Wednesday 7th February. If you have not yet booked your appointment with your child's class teacher, please could you do this asap. The consultation will provide you with an opportunity to find out how your child is getting on in school, view their books and discuss their next steps/targets. You will also be able to raise any issues you may have.

Parent Workshops– Next week, there will a leaflet coming home with your child outlining the workshops we have on offer this term– if any are applicable to your child, then please return the reply slip to secure your place. These sessions will outline lots of useful helps and tips surrounding how best you can support your child at home.

Up coming events

Below are some dates for the Spring Term to support you in planning the term. We will add more dates as they are confirmed. New dates are underlined. All dates can also be found on the new website calendar:

A Place to Grow

Welcome to Perry Hall News, a weekly newsletter to celebrate our achievements and keep you up-to-date with upcoming events.

Phase One of the Reading Bus Project is complete!

As you have probably already noticed, last Friday National Express delivered our bus!

Phase one of our project has been successfully completed– having the grounds prepared and the bus delivered by the end of January 2018! National Express kindly painted the bus white prior to it's arrival so it is a blank canvas ready for our designs to be painted onto it.

The next phase of the project is to develop the structure and appearance of the bus. To make this next phase a success we need your help with:

- **Finding a local artist**– once one has been sourced, each year group will contribute their ideas to create a design which will then be painted onto the bus
- **Donations**- towards buying items needed for the bus
- **Finding companies that will offer their services to support the renovation of the bus.**

Can we also say a huge thank you to the following companies who have already made a financial donation towards our Reading Bus Project.

Are you last week's star of the week?

A child from each class is chosen as Star of the Week for doing something special during that week. It may be related to their work, behaviour and/or their attitudes
