## Perry Hall News!

Friday 26th January 2018

**A Place to Grow**

Welcome to Perry Hall News, a weekly newsletter to celebrate our achievements and keep you up-to-date with upcoming events.

### National Story Telling week

National Story Telling week will be taking place from the 27th January until the 2nd February 2018. City of Wolverhampton's libraries will play host to the city literature festival's 'Great Big Children's Story Time' on Saturday (January 27), between 11.30am and noon. The simultaneous story time across the venues will have a winter wonderland theme - and is free for all ages. The whole family can listen to an exciting tale, brought to life by an expert reader at your local library. There are a number of other events happening across the city this weekend. More information can be found on Wolverhampton Today facebook page and also on [www.wolvesliteraturefestival.co.uk](http://www.wolvesliteraturefestival.co.uk)

Perry Hall will also be taking part with a number of activities throughout the week.

Reminder that we are counting down to Number Day at Perry Hall.

**On Friday 2nd February** we will be using fun curriculum-based maths challenges designed by the NSPCC, Oxford University Press and Maths on Toast.

We will also be taking part in ***Dress up for Digits*** and **pupils will be invited to wear an item of clothing with a number on it (football shirt, netball shirt or even a onesie!) or get more creative by them dressing as a dice or calculator.** To help raise money for the NSPCC, we are asking for a suggested donation of **£2 per child**, and we'd love everyone in the school to take part in this special event.

### Are you last week's star of the week?
