A Place to Grow

Welcome to Perry Hall News, a weekly newsletter to celebrate our achievements and keep you up-to-date with upcoming events.

We have had an amazing week at Perry Hall celebrating British Science Week and engaging in STEM in our afternoon lessons. We have been designing, making and testing boats, parachutes, periscopes, egg-stronauts and rockets in classes across the school.

We have been sharing our home STEM projects in class too, where we have been thrilled to see the hard work that has been put into each one to demonstrate understanding of 'Our Universe' - thank you for supporting your children with them.

On Friday morning, we shared the winning projects in our annual Science STEM fair where our governors and members of the MAT team were impressed with the effort and understanding the children demonstrated. Well done to everyone involved and thank you to the family members who attended to support the children.

We are excited to announce the overall winners for KS1 and KS2 next week!

Perry Hall Football Team - EFL KIDS CUP Football Tournament

After winning the Wolverhampton EFL KIDS CUP Football Tournament matches, our amazing football team were invited to the Reading Football Stadium last week, where they played against teams from across the country. Although the result wasn't what we hoped for, the team worked extremely hard, showing a lot of skill and team work. It was a great experience for the children!

This weekend the Perry Hall Football team have been invited to the Wolves match. They will be going onto the pitch at half time and will be presented with a Trophy as winners of the Wolverhampton EFL KIDS CUP Football Tournament.

This is a huge achievement for The Perry Hall Football Team and we would like to congratulate the whole team and Mr. Boneham for their hard work.

Are you last week's star of the week?

A child from each class is chosen as Star of the Week for doing something special during that week. It may be related to their work, behaviour and/or their attitudes
