Perry Hall Wedding Bells!

Miss Sanga will be getting married over the summer and will become Mrs Rai!

We wish her all the best-congratulations Miss Sangha!

Summer Fayre success

Although we were competing with the World Cup, the annual Perry Hall PTA Summer Fayre 2018 raised £971.74.

Thank you to all of our Perry Hall families and friends for your continued support!

Perry Hall News!

Friday 19th July 2018

A Place to Grow

We cannot believe another successful year at Perry Hall is drawing to a close! We end the year with some great achievements, where our children have not only excelled academically with some amazing SATs outcomes in both in Key Stage One and Key Stage Two, but have also taken part in fantastic musical events and achieved great sports awards. Perry Hall has also been awarded the Space Education Quality Mark this year!

We wish all of our Year 6 children the best of luck for the next phase in their educational journey as they move to their new secondary schools. They will be greatly missed by all! Remember to dream, believe and achieve!

We would like to congratulate all our children, from the Terrific for 2's provision through to Year 6, for their determination and hard work this year, not only academically but also as well rounded individuals. We wish them all the best in their new classes.

Thank you to all of our parents and carers for their continued support in ensuring our children have the best possible opportunities at Perry Hall Primary School.

We would also like to take this opportunity to thank all the staff at Perry Hall for all their hard work and commitment to our children this year. Our best wishes go out to the staff leaving us and moving on to pastures new.

Finally, we look forward to seeing you all return safe and happy on **Tuesday 4th September 2018**- enjoy your summer holidays.

Miss Kohli and the Senior Leadership Team

Perry Hall recognised for excellence in science teaching

Perry Hall has been awarded the prestigious BRONZE Space Education Quality Mark, in recognition of its excellent work compared nationally.

UK schools and colleges receive the Space Education Quality Mark when they can show that they have significantly used the context of space in subjects, have worked with other organisations, shared resources and used space to enrich the curriculum. The Space Education Quality Mark was created by ESERO-UK, which supports the space sector and teachers to open doors for young people from all backgrounds, by delivering inspiring world-class teaching in science, technology, engineering and mathematics (STEM) subjects.

Well done to Mrs Holdcroft, our Science and STEM lead teacher and all the staff and children at Perry Hall for such a great achievement!

Well done for 100% attendance this year!
