### Year 6 Enterprise Week !

Year 6 had a fantastic week, last week, where they utilised their ICT, Maths, English and Art skills to design and create a product which they sold during the trade fair last Friday morning.

Each team was given a budget of £30 to produce a 'viable' product to be sold.

School governors came into school to play the 'Dragons' in our very own Dragons Den, where two children, from each team, presented their product - they were given additional money to add towards their total sales based upon how well they 'sold' their product to the governors. The governors were highly impressed with the children's powerpoint presentations and radio jingles. Mr Parkes and Miss Wilkes from the Perry Hall MAT business team also came to work with the children on spreadsheets, focussing on how to calculate profit etc.

Over £850 was raised! Well done to Year 6 for a highly successful Enterprise week!!

### Are you last week's star of the week?

A child from each class is chosen as Star of the Week for doing something special during that week. It may be related to their work, behaviour and/or their attitudes
