

As part of our Social, Moral, Spiritual and Cultural curriculum we will continue to interweave our school motto and core values into everything we do.

Motto:

Perry Hall Primary, a place to grow in confidence, creativity and ability.

At Perry Hall we are...

Respectful, Caring, Determined - never give up, Enthusiastic,

Open Door Policy

Please remember we have an open door policy in Nursery.
If you have any questions or concerns please speak to a member of staff.

Helping Your Child At Home

- Please provide a water bottle with only fresh water every day.
- Ensure all of your child's uniform is clearly labelled with their name.
- Please send in your child's book bag (provided by us) to every session.
- Send a spare set of clothes as some activities are messy or wet.
- Please support your child to be as independent as possible e.g. using the toilet/putting their coat on by themselves.
- Enjoy books and stories
- Encourage you child to explore the outdoors

2018*

"Back to Basics"

Throughout the Autumn term we will be focusing on introducing the children to the Nursery provision, equipment, rules and routines.

Nursery staff will be closely following children's interests and supporting them in developing skills and knowledge in a fun and exciting way. This term will be supporting children in ...

Prime Areas:

- Separating from Parents/Carers
- Developing awareness of classroom rules and boundaries
- Developing independence in self care
- Building relationships with others
- Developing confidence when talking to others
- Sharing and taking turns with others with adult support
- Developing gross and fine motor skills

Specific Areas:

- Joining in with rhymes and songs
- Listening to stories and developing an interest in books
- Finding out about numbers and counting
- Exploring shapes
- Creating sounds using musical instruments
- Realising that we have similarities and differences amongst each other
- Experimenting with different areas of the learning environment
- Caring for class pets and plants
- To begin to make-believe by pretending

Outdoor Provision:

We will be enjoying working in the outdoor area looking at seasonal changes and caring for our garden. We will also be focusing on moving in different ways. We love to take our learning outdoors as often as we can so we may get muddy!

To ensure your child has every opportunity to explore our outdoor area, please ensure they are equipped with clothing suitable for the weather each day.

On Monday's we will share a 'story of the week'. Your child will take part in Key worker focused activities at the beginning of each session Tuesday-Friday, this will be followed by Continuous Provision

Continuous Provision: When children are displaying deep levels of involvement there is increased brain activity and learning takes place.

At Perry Hall Nursery we are committed to ensuring that children have maximum opportunities to learn. Staff strive to develop an environment which is inviting and stimulating for your children. In addition to an enabling environment our staff work directly with the children, playing alongside them. During this time staff will teach 'in the moment' to ensure children are enjoying and achieving whilst at Nursery.

As we are developing relationships and finding out about each other, it would be useful to have a copy of a family photo (not a precious one) so we can use it for discussion and display. If you have a photo you can spare, it will help the children talk about themselves and their families.

PTO for dates and reminders ...
