## Perry Hall News!

Friday 8th March

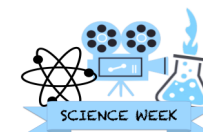

**A Place to Grow**

Welcome to Perry Hall News, a weekly newsletter to celebrate our achievements and keep you up-to-date with upcoming events.

### Science Week

Next week Perry Hall are celebrating Science Week! In the letter sent out on 15 February, we invited children to create a project on the theme of 'Journeys' to share in class on Monday. This could be a journey though time, a journey though space, a diary documenting a famous journey, a model airplane that has been on a journey, the possibilities are endless! Winning projects will be chosen from each class and will receive a certificate. These winners will be entered into our STEM fair where our governors and SLT members have been invited to select a winner from each Key Stage on Thursday 14<sup>th</sup> March. If your child's project is entered into our STEM fair, family members will be invited to see your child's entry in the fair, letters will follow on Monday. In classes throughout the week, children will be completing a variety of STEM activities and will have the opportunity to look at some scientific artefacts. We are looking forward to an amazingly scientific week!!

### Red Nose Day

Red Nose Day is taking place on Friday 15th March. School Council invite children to: Come to school out of uniform in any red clothing for a donation of £1, donate cakes or biscuits to sell in class cake sales and bring money in to buy them on the day. During the morning we will be taking part in Blue Peter's challenge of making as many teachers laugh as possible. Think of a funny joke, dance or routine to share with your class and see if you can make your teacher laugh!
