National  
**Children's  
Gardening**  
Week

21<sup>st</sup> May 2019

Dear parents/carers,

**National Children's Gardening Week** is celebrated across the country to encourage children's interest in nurturing and developing outdoor environments.

To celebrate this at Perry Hall we will be asking children to come to school out of uniform on **Friday 23<sup>rd</sup> May**. Each child will be given the opportunity to plant a seed, which they will bring home to nurture and grow.

We will be asking children to record the growth of their plants and report back to their class throughout this term.

I would like to thank you in advance for your continued support with yet another exciting opportunity at Perry Hall on Friday. We look forward to seeing your children's "green fingers" grow!

Your sincerely,

Miss R Kohli

Executive Headteacher
