### Green Fingers at Perry Hall

#### **Sensory Garden**

Our Early Years children have been busy developing our Quad area into a magical sensory garden. Our local shops and stores have shown great generosity to support this project. We would like to thank **Co-Op on Stubby Lane** for the generous donation of compost and bark chipping and **Aldi at Bentley Bridge** for kindly donating £30 worth of plants.

#### **National Children's Gardening Week**

Celebrating with thousands of children across the country, to encourage children's interest in nurturing and developing our outdoor environments, every Perry Hall child had the opportunity to plant a sunflower seed today, which they will bring home to nurture and grow. We have asked children to record the growth of their plants and report back to their class throughout this term. A huge thank you to **Brewood Landscapes and the staff at Poundstretcher** who have kindly donated seeds.

#### **Wednesfield in Bloom**

It is almost that time of year again when Perry Hall support their local community and take part in the Wednesfield in Bloom competition. Gardening club have been working hard, putting their ideas on to paper to design our planter in Wednesfield's amphitheatre. Later next month they will be planting it so it is ready for the judging in July.

### Are you last week's star of the week?

A child from each class is chosen as Star of the Week for doing something special during that week. It may be related to their work, behaviour and/or their attitudes to learning .
