Dear Parents / Carers

This year, at Perry Hall, we are enhancing the way we communicate with parents and carers. We will be providing a termly written report, which will then be discussed during Parents' Consultation Evening. The Autumn term report will predict your child's attainment for the end of year and will identify their termly targets to ensure they reach their prediction. You will receive these reports week beginning 4th November.

Parent consultation meetings will be held in school on Wednesday 20th November. This is an opportunity for you to meet your child's class teacher, to look at their books and to discuss their report.

Please complete the slip below and return it as soon as possible, so that an appointment can be made. You will be provided with a consultation time as close as possible to which you have requested.

Yours sincerely,

R Kohli
