

Wednesday 18th December

Dear Parents / Carers,

Next half term, as you are already aware, children will be enjoying the topic “Mighty Metals”. As part of our topic we will be looking at the changes in technology dating back as far as the stone age. To help us with our understanding of the stone age and iron age, children will be taking part in a stone age workshop in school. This day, which has been booked for **Thursday 13th February 2020**, will give children opportunities to dress up and experience “a day in the life of the stone age” which will enhance their overall learning experience and understanding. In the past, this day has been a huge success and the children have thoroughly enjoyed it.

The cost of this workshop is **£6.50** per child. This is to be paid as soon as possible through ParentPay. Please return the slip below and make payment no later than Thursday 16th January 2020.

Any queries or concerns, please come and see us.

Many thanks,

Miss R Kohli
Executive Headteacher
