WHAT TO EXPECT DURING SATS WEEK- 11th-14th May 2020

Dear parents/carers,

SATs week begins on **Monday 11^h May 2020**. Throughout this week, your child will need to be as relaxed as possible and working at their best to ensure they reach their full potential- so they can show off everything they have worked so hard to learn during their time here at Perry Hall.

To ensure that you, and in turn your child, are fully prepared for the format and content of this week, we would like to inform you about the parent/carer SATs workshop on **Wednesday 15th January at 2:00pm and 5:30pm**.

During the workshop, we will discuss the following:

- Timetable for the week- the tests that will take place
- What you can do at home to support and prepare your child
- Expectations
- Breakfast club

You will also have the opportunity to look at some SATs papers and some sample questions, so that you are fully aware of what your child will be expected to tackle during the week and fully equipped if you wanted to put in some extra support for your child at home.

Please complete the reply slip below indicating whether you will be attending. If you have any questions in the meantime, please do not hesitate to come and speak to us.

Thank you for your continued support.

Yours Sincerely,

Miss R Kohli
Executive Headteacher
