Perry Hall News!

Friday 31st January

A Place to Grow

Welcome to Perry Hall News, a weekly newsletter to celebrate our achievements and keep you up-to-date with upcoming events.

'Find your Brave'.

On Monday 3rd February, Perry Hall are celebrating **Children's Mental Health week**. This year's theme from Place2Be, a children's mental health charity, is 'Find your Brave'.

Bravery can be about sharing worries and asking for help, trying something new, or pushing yourself outside of your comfort zone.

In school, throughout the week, we will be learning how bravery comes in all shapes and sizes, is different for everyone and how 'finding your brave' can build our confidence, self-esteem and make us feel good about ourselves. We will be looking at how we can find positive ways to deal with things that might be difficult, overcoming physical and mental challenges and looking after ourselves.

As part of Children's Mental Health Week, we are also inviting children to take part in a poster challenge. **Early Years and KS1 children are asked to create a poster all about 'What makes me brave?'** whereas children in **KS2 are asked to create a 'This is me'** poster, celebrating how they have found their brave in things they enjoy and in things they have found difficult.

Closing date for all posters is Thursday 6th February 2020

Perry Hall's National Story Telling fortnight

Monday 3rd February – Friday 7th February is National Story Telling Week. As this coincides with Children's Mental Health Week, we will be extending our storytelling activities until Friday 14th February, therefore embarking on a

Storytelling Fortnight at Perry Hall. Your children will take part in a range of storytelling activities which will be linked to their learning across the curriculum. The children will have the opportunities to read, hear and tell their favourite stories during the two weeks.

Please support us in this by reading and telling your children stories at home.

Are you last week's star of the week?

A child from each class is chosen as Star of the Week for doing something special during that week. It may be related to their work, behaviour and/or their attitudes to learning .
