

Our Curriculum

We promote an inclusive curriculum where every child has the right to achieve their potential. We strive to inspire so children aspire and have ambition, offer children experiences relevant to the curriculum and enrich their language in all we do. We will continue to interweave our school motto and core values into everything we do.

Go for it, Respect everyone, Overcome obstacles, Welcome all (Grow)

Helping Your Child At Home

- Please provide a water bottle with only fresh water every day.
- Ensure all of your child's clothing, coat and bags are labelled with their name.
- Please send in your child's book bag (provided by us) to every other Monday session.
- Send a spare set of clothes, as some activities are messy or wet.
- Please support your child to be as independent as possible e.g. by using the toilet/putting their coat on by themselves.
- Enjoy books and stories with your child.
- Encourage your child to explore the outdoors.

Open Door Policy

Please remember, we have an open door policy in Terrific of Twos. If you have any questions or concerns, please speak to a member of staff.

"Terrific Fun at Terrific for Twos"

Throughout the Spring term, our topic will be about growing. This will involve growing things both inside and outside. We will also be welcoming new children to our Twos family.

Twos staff will be closely following children's interests and supporting them in developing skills and knowledge in a fun and exciting way. This term, we will be supporting children in ...

Prime Areas:

- Separating from Parents/Carers
- To introduce rules and boundaries
- Developing independence in self care
- Building relationships with others
- Listen to lots of lovely stories and rhymes
- Developing gross and fine motor skills
- To encourage communication and language through story telling and circle time

Specific Areas:

- Joining in with rhymes and songs
- Listening to stories and developing an interest in books
- Exploring numbers and counting
- Exploring shapes
- Creating sounds using musical instruments
- To make marks freely in a range of different ways
- Experimenting with different areas of the learning environment
- To begin to make-believe by pretending
- We will be planting seeds and watching them grow

Outdoor Provision:

As we are learning all about our outside environment, we will be doing lots of activities with our friends in our outdoor provision.

To ensure your child has every opportunity to explore our outdoor area, please ensure they have labelled suitable outdoor shoes and clothing in the Twos provision.

On Mondays, we will share a 'Nursery Rhyme' for the week and a story for the half term. Your child will take part in circle time activities at the beginning of each session Monday-Friday, this will be followed by Continuous Provision. Children will also have time with their Key Person to take part in individual activities.

Continuous Provision: When children are displaying deep levels of involvement, there is increased brain activity and learning takes place.

At Terrific For Twos, we are committed to ensuring that children have maximum opportunities to learn. We will ensure that the environment your children play in is inviting and stimulating. Staff will provide opportunities for children to develop skills through various activities. This will include our staff working directly with the children and playing alongside them. Through child initiated play we will be able support your child's learning, making it fun and creative.
