Outdoor Provision:

As we are learning all about us and our friends and we will be doing lots of activities with our friends in our outdoor provision.

To ensure your child has every opportunity to explore our outdoor area, please ensure they have labeled suitable outdoor shoes and clothing.

On Monday’s we will share a ‘nursery Rhyme’ for the week and stories for the term. Your child will take part in circle time at the beginning of each session Monday-Friday, this will be followed by Continuous Provision. Children will also have time with their Key person to take part in individual activities.

Continuous Provision: When children are displaying deep levels of involvement there is increased brain activity and learning takes place.

At Terrific For Twos we are committed to ensuring that children have maximum opportunities to learn. We will ensure that the environment your children play in is inviting and stimulating. Staff will provide opportunities for children to develop skills through various activities. This will include our staff working directly with the children, playing alongside them. Through child initiated play we will be able support your child’s learning making it fun and creative.
