On Tuesday, we will be celebrating being safe on the internet!

Children will be engaging in some exciting and informative sessions regarding e safety throughout the day. During the afternoon, parents/carers are invited into classrooms to join in these activities with their children— KS2 from 2pm and KS1 from 2.30pm.

We will also have Alan from Concero in school on this afternoon, who will be available to talk to parents/carers about safe settings on iPads etc.

We hope you can join us and look forward to seeing you all on Tuesday afternoon.

### Parking Reminder

Following several polite reminders, parents/carers are still driving unsafely onto pavements and dropping children off whilst being parked on the yellow zig zag lines. **Please put our children's safety first** and park/ drive safely. Can we also ensure that we are not parking in front of resident driveways on neighbouring roads as residents need access on and off their drive ways at all times.

Finally, can we also request that children are closely monitored by parents/carers at all times and are kept away from the roadsides.

### Are you last week's star of the week?

A child from each class is chosen as Star of the Week for doing something special during that week. It may be related to their work, behaviour and/or their attitudes to learning .
