Perry Hall News!

Friday 14th February

A Place to Grow

Welcome to Perry Hall News, a weekly newsletter to celebrate our achievements and keep you up-to-date with upcoming events.

Ofsted outcomes for Perry Hall

As you are aware, Perry Hall's Ofsted inspection took place on Tuesday 21st and Wednesday 22nd January. The purpose of the inspection was to determine whether the school continues to be a good school. We are extremely pleased to share that Perry Hall Primary continues to be a good school. Ofsted were extremely positive about many aspects of what Perry Hall has to offer, highlighting the commitment of our staff, pupils and parents. We would like to take this opportunity to thank our parents for their continued support. Below are some key quotes from the report, followed by a link to the full report.

"Pupils, parents and staff agree that pupils are safe and well cared for in school."

"Expectations are high."

"Arrangements for safeguarding are effective. Leaders ensure pupils get the help they need in a timely manner."

"This is a school where all staff are determined to provide the best possible education."

"Reading and mathematics are a strength."

"Pupils learn well throughout school."

"Parents are overwhelmingly positive about the school and all it provides for their children."

"Like their pupils, staff are proud to belong to the school."

"Early Years Foundation Stage provides children with an excellent start to school."

Perry Hall Sports Update

It's been a great week for sport at Perry Hall. It started with our football team celebrating a 10-0 victory against Long Knowle Primary School. Every player showed pure determination and fantastic team work. Perry Hall continued to show their motivation and dedication yesterday when they won 3 - 2 against D'Eyncourt Primary School. Well done to the football team!

Perry Hall also had our very first Basketball Competition on a Tuesday 11th February, with 10 children putting their basketball skills to the test. The PH team had 4 different stations, with each station pushing them to their limits. Their hard work paid off and the team finished 2nd place taking the silver award! Congratulations to all that took part!

We would like to say a massive well done to every child this week who competed in football and basketball. Your hard work and positivity has really inspired the people around you. Thank you to all parents who had managed to get over and support the school and their children through all competitions. A proud week for the Perry Hall family.

Mr. Boneham

Children's Mental Health Day

On the 3rd February, Perry Hall celebrated Children's Mental Health week following the theme, **"Find your Brave."** The children spent the week doing lots of activities based on building self confidence, self esteem and over coming personal challenges.

All children also had an opportunity to take part in a Relax Kids session which was enjoyed by all.

We had a great response to the poster competition with some fantastic ideas. Winners will be announced after half term!

NSPCC Number Day

On the 7th February, we had a great day celebrating all we know about numbers in a fun way, from the numbers on our clothes to the fantastic challenges and activities the children took part in through out the day.

We also raised £257.68 for the NSPCC.

All the money we raise at Perry Hall will make an enormous difference to children today and help change the lives of children tomorrow. We really appreciate your support.

Last Week's Attendance

Whole school attendance was 95.3%

Reception & Key Stage One

Highest attenders were
2SB with 97.7%
attendance

Key Stage Two

Highest attenders were
3SW & 4SR with 98.6%
attendance

Thank you to all the parents that came to our Safer Internet open afternoon! It was a great afternoon of research, activities and sharing. As a parent or carer, you play a key role in helping your child to stay safe online. For more advice ask in in school or visit the websites below:

<https://www.saferinternet.org.uk/advice-centre/parents-and-carers>
<https://www.thinkuknow.co.uk/>

SMART Rules for primary aged children:

S Safe: Keep your personal information safe. When chatting or posting online don't give away things like your full name, password or home address. Remember personal information can be seen in images and videos you share too.

M Meet: Do not meet up with someone you only know online, even a friend of a friend, as they are still a stranger. If someone you only know online ever asks you to meet up, for personal information or for photos/ videos of you then tell an adult straight away and report them together on www.thinkuknow.co.uk

A Accepting: Think carefully before you click on or open something online (e.g. links, adverts, friend requests, photos) and do not accept something if you are unsure who the person is or what they've sent you.

R Reliable: You cannot trust everything you see online as some things can be out of date, inaccurate or not entirely true. Always compare 3 websites, check in books and talk to someone about what you find online.

T Tell: Tell a trusted adult if something or someone ever makes you feel upset, worried or confused. You could talk to a teacher, parent, carer or a helpline like **Childline 0800 11 11**.

Heart: Remember to always be smart with a heart by being kind and respectful to others online. Make the internet a better place by helping your friends if they are worried or upset by anything that happens online.

FREE 15 hours a week Childcare

This week's ECO Award goes to ...

RCR, RDS, 2SB & 5RK

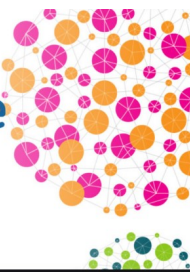

Science Week 2020!

'Our Diverse Planet'

On the week beginning 9th March, Perry Hall will be celebrating Science and Technology Week throughout the school. Each class will be working to create a STEM (Science, Technology, Engineering and Maths) project in school.

British
Science
Week
2020

To celebrate this exciting week, and after the success of the previous years' events, we are holding our own STEM fair again! We are inviting children to create their own project at home which demonstrates their understanding of **'Our Diverse Planet'** (this year's Science Week theme). For example, children could go on a minibeast hunt around their garden and report their findings, look at the best conditions for growing plants, identify the different gases around us, look at how our planet fits in to our solar system—the possibilities are endless! We would be very grateful if you could support your children in their project, discussing the scientific theory behind their project.

If children wish to enter, they need to bring their project, along with an explanation of the science behind their work, to class on **Monday 9th March**.

World book Day

On Thursday 5th March, we will be celebrating World Book Day, as we have done previously. On this day, children will come to school dressed as their favourite book characters, while staff dress themselves up in 'clues' throughout the day, so that children can use their knowledge of books to guess the teachers' favourite characters. On this day, the children will also receive a free book, as well as engaging in a range of book related activities.

Fantastic Fundraising

Well done to Izabella Russell for raising money for the Birmingham Children's Hospital!

It makes us all extremely proud to see Perry Hall pupils independently thinking of creative ways of supporting important causes, trying to make a difference.

Dear Izabella

Each and every day we are overwhelmed by the kindness of our incredible supporters just like you. Birmingham Children's Hospital cares for thousands of children and their families each year. It is only thanks to people like you that we can continue to do more for sick kids and make sure that being in hospital is as comfortable and reassuring as possible.

Please accept our heartfelt thanks for your generous donation of £120.00 for giving up sugar for a whole week!

Recently, our hospital charity has funded some incredibly exciting projects which simply would not have been possible without our wonderful supporters, like you. One such example is the recent purchase of new activity toys and wall panels for our Emergency Department and its waiting area to create a relaxed environment during times when patients and families may have to wait long periods to be seen.

Often, the improvement of patient experience extends far beyond the walls of our hospital thanks to your support. For our children with hand and upper limb differences this could be a weekend of activities. The goals of the camp are for our kids to develop self-confidence and self-esteem in an enjoyable and positive 'can-do' setting. For those patients who have recently had a renal transplant, we now provide a free drinking bottle that tracks the amount of water they drink. This aids their independence at home and has made a world of difference to families coming to terms with ensuring that their child remains safe and reducing the risk of in taking too much liquid.

It means so much to our children and their families to know that people are thinking of them and sending their love and support. So from all of them to you - thank you.

With warmest wishes

Anna Pendlebury
Fundraising Team
