

First day absence calls reminder

Parent/Carers must notify the school before 9.00am on the first day of absence. If no contact is made a home visit may be carried out. Medical Evidence should be obtained and submitted to school for any illness lasting longer than 3 days.

Every Minute Counts!

Lateness for school can lead to your child...

- Feeling embarrassed in front of their friends.
- Missing the beginning of vital lessons.
- Children that are late are not receiving full access to the curriculum if they are late.

Please be on time for school

Minutes late per day during the school year	Equals days' worth of teaching lost in a year
5 minutes	3.4 days
10 minutes	6.9 days
15 minutes	10.3 days
20 minutes	13.8 days
30 minutes	20.7 days

For full details of dates, refer back to link sent by text to all parents at the end of last term. Links to the planner can also be found on the website, or you can get a paper copy from the school office.

Perry Hall News!

Friday 13th March

A Place to Grow

Welcome to Perry Hall News, a weekly newsletter to celebrate our achievements and keep you up-to-date with upcoming events.

Our Diverse Planet—Perry Hall Science Week 2020

What an exciting and fun week we've had at Perry Hall! This week we've been celebrating British Science and Technology Week both in and outside of school. We began the week sharing the hard work you've been doing at home with your STEM projects. Thank you so much for the effort and support given at home, it really showed through the high calibre of projects we saw in school.

In class throughout the week, children have been working on their own STEM projects; combining Science, Technology, Engineering and Maths to create boats, shelters and our own planes to name a few. The children and staff have had so much fun this week, learning a few new scientific skills along the way.

On Wednesday, we held Perry Hall's annual STEM fair to showcase the winning projects from each class. It was a brilliant afternoon, with children wowing the judges of staff from the MAT team with their scientific understanding as well as the effort which had gone into their projects. Thank you to all the parents, family and friends who came to support the children that afternoon.

We're proud to announce the winners are...

KS1 Winner - George W(Y2)

KS1 Runner-up - Freddie H (Y2)

KS2 Winner - Bryn K (Y5)

KS2 Runner-up - Imogen S (Y6)

The children will be receiving their certificates and prizes in praise assembly on Monday. Thank you to everyone who has joined in with Science Week 2020.

Corona Virus updates

All updates can be found on the school website where there is a link to the latest advice from the government. **Please ensure you have read the MAT letter sent out today.**

<https://www.gov.uk/guidance/wuhan-novel-coronavirus-information-for-the-public>

Are you last week's star of the week?

A child from each class is chosen as Star of the Week for doing something special during that week. It may be related to their work, behaviour and/or their attitudes to learning .
