

Year 5 **SPACE**

Planets

Research into a planet of your choice and create a fact file presenting it in any way you wish.

Solar System

Create a model of the solar system/planet of your choice.

Design your own planet

Create your own planet. Draw a picture of your planet and describe the surface, signs of life (oxygen, water), inhabitants (people that live there) and key facts (colour, size, number of moos).

Aliens

Create a new alien life form. Draw a picture and write a character description.

Rock cakes

Research the ingredients and cooking methods to bake a batch of space style rock cakes.

You can even turn them into a metallic creation using decorative ingredients!

Surviving in Space

Write a survival guide for someone who is going to space for the first time.

> Think about: How astronauts live What they eat Training they need. Specialised equipment

Space

Imagine you are living on a different planet. Write a letter home to your family.

Design your own spacecraft

Using recyclable materials create your own spacecraft.

Astronauts

Research into the life of a famous astronaut of your choice. Write a biography.

Space Jam

Space Den
