

Please complete each activity to support your learning.	<p style="text-align: center;">Year 1 Home Learning Jack and the Beanstalk</p>		
Find a picture of Jack and write words or sentences to describe him.	Watch the clip about growing a bean. https://www.bbc.co.uk/bitesize/clips/zystsbk Find out how to grow a bean and write some instructions.	At the end of each day you are at home, write about something you have done that day.	
Jack almost got caught by the Giant. Design a faster way for him to escape from the Giant. Take a photograph of it or draw a picture.	Bake a cake for Jack's mom. Practice measuring out the ingredients and write a recipe.	Imagine you had your own magic beans. What might you find at the top of your beanstalk. Draw a picture or write a description.	
Write a story about a magic beanstalk.	Draw a picture of the giant's castle.	Use an old shoe box to create Jack's house or the giant's castle.	
Practice reading and spelling Common exception words for year 1. (These can be found on the internet).	Practice addition and subtraction. Ask you grown up to write some calculations for you.	Practice using your sounds, set 2 and set 3 to read and spell words.
