

<p>Use as many of the skills you have learnt since September as you can.</p>	<p>Year 2 The year so far...</p>	<p>To be completed over the coming weeks.</p>
<p style="text-align: center;"><u>The writer</u></p> <ol style="list-style-type: none"> 1. Write a story about one of the texts we have used this year. (Superworm, The True Story of The Three Little Pigs or Goldilocks and Just One Bear) 2. Create a non-chronological report or a character description for a wolf or a bear we have learnt about. 	<p style="text-align: center;"><u>The Historian</u></p> <ol style="list-style-type: none"> 1. Research the history of flight. See how many flying machines you can find. 2. Find out as much as you can about historical events linked to flight. (Neil Armstrong's moon landing) 3. Create a fact file about a flying machine (glider, hot air balloon, aeroplanes) see if you can create a time line of 	<p style="text-align: center;"><u>The Musician</u></p> <ol style="list-style-type: none"> 1. Using your work with Mrs Roberts, design and create a musical instrument and compose your own piece of music. It can link to any of the topics we have covered this year. 2. Create a song linked to one of our texts this year. You could link this to the style of your favourite music artist.

	<p>which flying machine came first to last.</p>	
<p style="text-align: center;"><u>The Builder</u></p> <ol style="list-style-type: none"> 1. Create your own animal habitat. 2. Build a habitat based on the characters from Super worm, Gorilla, The True story of the little Pigs or Goldilocks and Just One Bear. 3. Create a new character for The True Story of the Three little Pigs. 	<p style="text-align: center;"><u>The mathematician</u></p> <ol style="list-style-type: none"> 1. Get cooking. Weigh the ingredients you need. For making fairy cakes 2. Check the time. Record how long things takes to make 12 cup cakes. 3. Find as many number facts for the number 12. ($3 \times 4 = 12$) 	<p style="text-align: center;"><u>The scientist</u></p> <ol style="list-style-type: none"> 1. Using your prior knowledge create 2 paper planes. 2. Investigate how far they travel. Investigate sizes of the plane. Which plane travels the furthest and why? 3. Create a booklet about planes.
