As well as your Reading, SPaG and Maths activities, try some of these to pass the days at home.	Year 4 Home Learning Tasks	
PE  Joe Wicks Kids Workouts:  https://www.youtube.com/watch?v=d3LPrhl0v-w  BBC Supermovers: https://www.bbc.co.uk/teach/supermovers/ks2- collection/zr4ky9q	Science – Electricity  Electricity is amazing but it can be dangerous. Create an electrical safety poster.  Find out what Thomas Edison was famous for. Create a project outlining his key achievements and a timeline of his life.	Research either The Huli tribe or The Yanomami tribe that live in the rainforest. of Central America. How do their lives differ to ours? Create a project presenting your findings. This could be in the form of a leaflet, poster, PowerPoint etc.  https://www.oddizzi.com/teachers/explore-the-world/physical-features/ecosystems/rainforests/people/
Computing <pre>https://www.purplemash.com/sch/perryhall</pre> My login: My password:	Art  Sketch a picture of your favourite animal that lives in the rainforest.  If you have access to paints, see if you can paint one too.	Creative Writing  http://www.pobble365.com/ Select a story starter or picture prompt to write a story from.  When you're done, practise your SPaG with 'sick sentences' or 'sentence challenger'.  Can you answer the tasks in 'question time' too?

## **Charlie and The Chocolate Factory**

Write a thank you letter from Charlie Bucket to Mr Wonka to thank him for his visit to the factory. Try to include as much detail of each room that the ticket winners entered. What was your favourite part of the visit? Remember to write in the first person.

It is important to include some of the skills we have learnt in English. Highlight the skills you have used.

These might include: expanded noun phrases, adverbials, figurative language (MAPOS), relative and subordinate clauses, compound and complex sentences.

## History

Archaeologists have uncovered multiple pyramids that have provided information about the Maya civilisation.

Research the pyramids that have been found (you might want to choose one in particular e.g. Pyramid of Kukulkan) and find out what information they have revealed. Create a project presenting your findings.

This could be in the form of a leaflet, poster,

PowerPoint etc.

## Mindfulness

Make sure you stay positive whilst away from friends, extended family and without your daily routine. Keep a positive thoughts journal to help you. We have given you titles for the first four days to help.

Day 1 - Things I am thankful for
Day 2 - What strategies can I use to keep happy?
Day 3 - What am I good at?
Day 4 - What do I hope to achieve this year?
