

To further support the children's learning, the Twos staff have put together a Home Learning grid which is available on school website.

The grid includes a story based activities and the story we have chosen is 'The Hungry Caterpillar'. This is a story that the children have read at Twos and enjoyed very much. We have included some activities that parents can do at home and require just a few household items!

We have included the link for the story and you are able to watch the story online and read along with your little ones.

Please do share any photos/ pictures that you take/make as we would love to see what our children are enjoying at home!

Home learning grid...

The home learning grid also includes activities based around bugs/mini beasts. This time of year normally sees us outside growing seeds and bug finding! We have included some activities that will support your child to create their own bugs at home using lots of different materials. You can be as creative as you like its all about having lots of fun!

Dear parents ...

Corona Virus updates

All updates can be found on the school website where there is a link to the latest advice from the government.

Perry Hall News!

Terrific 4 Twos

Thursday 2nd April

A Place to Grow

Hi Everyone - parents and children, I hope you are all well and staying safe. Welcome to our first year group newsletter during the school closure period.

We will be sending a newsletter every couple of weeks to keep you up to date with home learning, celebrate achievements and share news. Send us your photos, pictures, ideas and news though your year group email. We would like every child to contact their teacher at least once a week.

Please get in touch by email or phone if you need us. Missing you all - Miss Kohli

Hello to all our children and parents,

We all hope that you are staying safe and keeping well.

All your teachers are keeping themselves busy and well. We are really looking forward to seeing you all again very soon!

We know this is a very strange time but parents you have been so supportive and you are doing an amazing job!

Our children are all very brave and continue to make us all very proud every day.

Love from all the Twos staff.

The Twos staff have been very busy planning some special activities for the children for when they return to school but, in the meantime, we will be sending some suggestions for home learning that parents can enjoy and share with their children.

These activities are fun, enjoyable, and ideal for learning at home together.

We would love to see what you are doing at home, so please send any photos, pictures or simply anything you wish to share to our email address below. We would love to hear from you.
