

E-Safety

During the school closure, we know that children have a greater exposure to the online world. It is really important that they keep themselves safe. Children and parents can take part in a range of activities at:

<https://www.thinkuknow.co.uk/>

If you have any concerns, regarding your child's safety online, and you believe they are being targeted, you can report this through CEOP, the online police.

<https://www.ceop.police.uk/safety-centre/>

Here's some more of your photos you've shared of the fun you've been having at home -

Mylie's been busy sorting healthy and non-healthy food.

Olivia used her connect four counters to complete some fantastic addition number sentences. Well done!

Purple Mash

Continue to look out for the tasks continually being assigned to your children for them to access via Purple Mash. Access to Purple Mash can be gained by visiting <https://www.purplemash.com/sch/perryhall>.

Any problems with logins or passwords then please contact us.

Don't forget to send in your photos and any work you want to share, check or get marked. Make sure you email your Year group on ...

Perry Hall News! Reception

Wednesday 6th May

A Place to Grow

Hope you are all safe and well !

As you will already know—Friday 8th May is VE day. To commemorate this

important time, we have dedicated our third year group newsletter to finding out more about VE day and to celebrate its 75th anniversary. We have also included lots of your photos in this newsletter—thank you to all that have been sending them in—keep sending them!

Please stay safe and get in touch via email or phone if you require any support. Miss Kohli

The key worker children at school have been busy decorating Miss Kohli's office window!

The staff have created a fun video sending you all a message. To view it please visit the school website or click on the link below:

[Video Link](#)

Hello Reception!

We have been overwhelmed by all of the emails and photos you have been sending in. It's so lovely to see all of the learning taking place, whilst seeing you all having lots of fun too. It's making us all smile and we are very proud of you all.

Please keep in touch, sharing your learning and achievements with us, via the school email address. We love to see what you have been getting up to at home.

Mylie had lots of fun creating a bug hotel with her little brother, Travis.

VE Day- Teddy Bears Picnic

As part of the VE Day celebrations we would love it if you had your very own teddy bears picnic style party, at home to celebrate.

We have provided some activity ideas in preparation for this event throughout our newsletter -

- Bunting and banners,
- Flags,
- Invitations,
- Making your own party food.

You could also choose to dress in red, white and blue on the day too.

We would love to see all of your photos following the event - you can share these with us via our school email address.

Write an invite for your family to attend the teddy bears picnic.

You may want to use the teddy bears picnic format or you could be creative and make your own one up!

<https://www.twinkl.co.uk/resource/t-t-252462-teddy-bears-picnic-invitation>

During your time at home lots of you have been getting creative -

Jyot-Saroop has created a beautiful butterfly.

Seth made a pattern when creating his 'Hungry Caterpillar.'

Hi children and families,

We hope that you are all keeping safe and well. We have loved seeing so many photos of your lovely activities and work that you have been doing at home. Please keep sending them into us, using our school email address. We all miss you very much and can't wait until we are all back together again soon.

Mrs Russell, Miss Scott, Mrs Williams, Miss Stanyer and Mrs Corbett x

You could even fill your windows with bunting and flags too, to show your neighbours that you are celebrating.

Jenson had lots of fun creating a pattern, using objects from around the home.

Harvey has been busy completing his CVC word booklet.

Hi everyone,

It continues to feel strange not having the Perry Hall family all together, but we are thankful that we can communicate through class emails and phone messages. Your photos of the wonderful activities you are doing at home really help us all. Be good to your parents/carers as they are trying really hard to teach you new things. I can not wait to see you all back, but in the meantime, stay safe and look after each other.

Mrs Russell

Since the school closure some of you have been celebrating your birthdays;

Happy Birthday to Ollie

Happy Birthday to Joshua

Also Happy Birthday goes to -

Cole

If there are any other birthdays or special announcements you would like us to share. Please feel free to drop us an email.

Here are some of ideas of food that you could make and prepare at home ready for your VE day celebrations -

- Sandwiches,
- Cakes,
- Biscuits,
- Fruit kebabs.

Dear Reception,

Thank you for sharing your wonderful photos—I love looking at them. School is far too quiet without you and we miss you terribly. Stay safe, Mrs Powell xx

Home Learning Grids

Our next home learning grid will be available next week and will be accessible via the school website.

Please remember to keep sharing all of your photos with us, as we love to see what your children are enjoying at home!

Hi everyone,

I have been looking at all of the fantastic photos you have been emailing in. They have put a big smile on my face. I miss you all and cannot wait to see you all again soon. In the meantime, stay safe look and after yourselves .

Mrs Heer

VE DAY

75TH ANNIVERSARY

On Friday 8th May our country (as well as countries all across Europe) will come together to commemorate VE Day's 75th anniversary.

VE Day stands for Victory In Europe Day and although it was not the end of the Second World War, it was the end of fighting in Europe. In 1945 this was a day of celebration, with street parties and celebrations lasting for days! As it's the 75th anniversary we would like you to take part in this celebration too and across this newsletter you will find activities to help you do so.

One way you could celebrate is by holding your own 'Stay At Home Street Party' by decorating your home in red, white and blue or bunting, wearing those colours and having your own picnic in the garden or in your home. Please send in any photos of your celebrations for us to share!

Some of you have been out spotting rainbows this week -

Here's Hollie and her sister, Elsie.

And Ekam found a rainbow too.

Well done to you both!

I wonder if anyone else has spotted any different rainbows as you have been out walking.

Create some bunting to hang and decorate -

<https://www.twinkl.co.uk/resource/t-t-2548139-union-jack-template-display-bunting>

Or create your own using the blank bunting template -

<https://www.twinkl.co.uk/resource/t-t-7473-blank-bunting-template>
