

Perry Hall News!

Terrific for Twos

Wednesday 6th May

A Place to Grow

Hope you are all safe and well !

As you will already know—Friday 8th May is VE day. To commemorate this important time, we have dedicated our third year group newsletter to finding out more about VE day and to celebrate its 75th anniversary. We have also included lots of your photos in this newsletter—thank you to all that have been sending them in—keep on sending them!

Please stay safe and get in touch via email or phone if you require any support. Miss Kohli

The key worker children at school have been busy decorating Miss Kohli's office window!

“delivering cookies to families—see you all soon”

The staff have created a fun video sending you all a message. To view it please visit the school website or click on the link below:

Hello Everyone! We hope you are all keeping well and staying safe at home. It has been lovely to hear from all our children doing lots of special activities and sending lots of pictures in. It has been lovely to see all your lovely smiles! It has been a busy few weeks for all our children and all our staff! Your teachers have been busy running, bike riding and looking out for seedlings to start growing! Please do continue to keep in touch and we will share all your lovely photos.

Goldilocks and the Three Bears!

Our home learning is around Goldilocks and the Three Bears. We have put together some activities for you to share with your grown ups.

To celebrate VE Day, you could have a Teddy Bears' picnic either indoor or outdoors. There are lots of different flavour sandwiches you could make, such as jam sandwiches, peanut butter sandwiches, cucumber and cheese and many more.

Don't forget to send us pictures using the home learning email address

VE DAY

75TH ANNIVERSARY

On Friday 8th May, our country (as well as countries all across Europe) will come together to commemorate VE Day's 75th anniversary.

VE Day stands for Victory In Europe Day and although it was not the end of the Second World War, it was the end of fighting in Europe. In 1945, this was a day of celebration, with street parties and celebrations lasting for days! As it's the 75th anniversary, we would like you to take part in this celebration too and across this newsletter you will find activities to help you do so.

One way you could celebrate is by holding your own 'Stay At Home Street Party' by decorating your home in red, white and blue or bunting, wearing those colours and having your own picnic in the garden or in your home. Please send in any photos of your celebrations for us to share!

VE activities

Scones with cream and jam are a traditional celebration food for VE Day. You could have a go at baking scones at home! Here is a link for you to see just how they are made!

<https://www.youtube.com/watch?v=BVNhJXa5W74&list=TLPQMDUwNTlwMjD899Y2eQ4NkQ&index=1>

Lots of you have been busy cooking up a storm just like this little one! I wonder what they are baking?! I can see chocolate!

Some lovely pictures of children playing and taking part in different activities. We have one of our children doing some ironing and another making a muscle shaker!

Its so important to keep moving whilst we are at home, lots of singing, dancing and maybe some Joe Wicks! These can all be done at home safely.

More VE ideas

Bunting is a traditional decoration that we can make for our VE Day celebrations. Here is a link that you can watch to show how to make your own bunting at home! Don't forget to send us pictures!

Dear Twos children,

Thank you for sharing your wonderful photos—I love looking at them. School is far too quiet without you and we miss you terribly. Stay safe, Mrs Powell xx

What a great way to learn numbers!
Well done!

Hi everyone,

I have been looking at all of the fantastic photos you have been emailing in. They have put a big smile on my face. I miss you all and cannot wait to see you all again soon. In the meantime, stay safe look and after yourselves .

Mrs Heer

More VE ideas

You could have a go at making your very own Union Jack Flags!

<https://www.bakerross.co.uk/craft-ideas/kids/union-jack-tissue>

We have grown potatoes, strawberries and planted a plum tree! This week I have seen some growing in all three plants! Looks like Mrs Gill will have some strawberries soon!

The remote control traffic has increased in lockdown!

Hi everyone,

It continues to feel strange not having the Perry Hall family all together, but we are thankful that we can communicate through class emails and phone messages. Your photos of the wonderful activities you are doing at home really help us all. Be good to your parents/ carers as they are trying really hard to teach you new things. I can not wait to see you all back, but in the meantime, stay safe and look after each other.

Mrs Russell

E-Safety

During the school closure, we know that children have a greater exposure to the online world. It is really important that they keep themselves safe. Children and parents can take part in a range of activities at:

<https://www.thinkuknow.co.uk/>

If you have any concerns, regarding your child's safety online, and you believe they are being targeted, you can report this through CEOP, the online police.

<https://www.ceop.police.uk/safety-centre/>

We have had some lovely pictures in from our children and we look forward to seeing lots more pictures soon. They always put a smile on our faces and brighten up our day.

Thank you to Sophie and Bani for sharing your work.

Our email address is

Purple Mash

Continue to look out for the tasks continually being assigned to your children for them to access via Purple Mash. Access to Purple Mash can be gained by visiting <https://www.purplemash.com/sch/perryhall>.

Any problems with logins or passwords then please contact us.

Don't forget to send in your photos and any work you want to share, check or get marked.
Make sure you email your Year group on ...
