

Perry Hall News!

Terrific for Twos

Thursday 11th June

A Place to Grow

**Welcome to our fifth year group newsletter.
We hope you are all safe and well!**

Within this newsletter, we will be celebrating World Oceans Day. We can't wait to see your outcomes of work from the tasks set for you to enjoy.

For those children in **Year 1 and Year 6** who are planning to re-join us in school on Monday 15th June, we can't wait to see you! Please ensure that you have read all of the information that has been emailed out to you and ensure that you have returned your home school agreement to secure a place for your child in school. Without doing this, your child will not be able to return to school.

We are looking at the Ocean and all things 'sea-like'! These are Mrs Gill's goldfish Goldie and Lockie. Although they live in her fish tank, there are lots and lots of different fish in the sea! Maybe you could have a look at who lives in our oceans!

Message from your Year Group Staff

Hello to all our children!
School is ever so quiet without all your smiles and giggles! Your teachers are very proud of you all and all the lovely things you have been doing at home. Please make sure you share photos of what you have been doing with us by email.

We hope to see you all very soon but in the mean time keep smiling and stay safe!

Best wishes from,
All your teachers in Twos.

Science- Update from Mrs Holdcroft

Thank you again to everyone who sent in their answer to our last newsletter's enquiry question. This week we have another new challenge for you! Keep sending in your findings- we love seeing your outcomes of work!

Science: Skill Focus - Fair Test

Question

Which material makes the strongest boat?

Carry out a fair test to find out which material makes the strongest boat. You could use paper, card, tin foil, or any other material you find. Fold material to create a boat - it doesn't have to look like a boat! Carefully place your boat in a large bowl of water or sink. How many coins / legos / marbles can you put in your boat before it sinks? Repeat with a different material.

Question Predict Observe Record Analyse Report

Draw your boats and how many items you could place in it before it sank.

Have fun!

Mrs Holdcroft.

World Oceans Day Task

Have a go at making underwater paper plate octopus! All you need is paper plates, pipe cleaners and small pom-poms! Please remember to send us pictures of your crafts to:

Ph.eyfshomelearning@perryhallmat.co.uk

E-Safety

During the school closure, we know that children have a greater exposure to the online world. It is really important that they keep themselves safe. Children and parents can take part in a range of activities at:

<https://www.thinkuknow.co.uk/>

If you have any concerns regarding your child's safety online, and you believe they are being targeted, you can report this through CEOP- the online police.

<https://www.ceop.police.uk/safety-centre/>

Purple Mash

Continue to look out for the tasks continually being assigned to your children for them to access via Purple Mash. Access to Purple Mash can be gained by visiting <https://www.purplemash.com/sch/perryhall>.

Any problems with logins or passwords then please contact us.

Have a go at making a sea themed snack using your favourite fruits and vegetables! This one has bananas, oranges and kiwis. It looks so tasty!

Planting and growing has been a very popular activity during this time and Miss Platow has planted runner beans, mustard cress and radish!

We look forward to seeing them grow!

Don't forget to send in your photos and any work you want to share, check or get marked.

Make sure you email your Year group on ...

ph.y?homelearning@perryhallmat.co.uk

Colman Avenue, Wolverhampton, WV11 3RT. Telephone number: 01902558538

School website: www.perryhall.co.uk

Email address: perryhallprimaryschool@wolverhampton.gov.uk

Executive Headteacher: Miss R Kohli

<https://www.youtube.com/watch?v=Oxw6FoUNeT4>

See if you can spot these whilst you watch.

Miss Platow has been busy on nature walks in her local area. It has been lovely to see so many people exploring nature and enjoying this amazing weather we have had

World Oceans Day Task

Have a go at making a paper plate jelly fish you can make it as colourful as you like!

You will need a paper plate, tissue paper or any other colourful decoration you would like to use.

Don't forget to send us images of your jelly fish!

One of our favourite under water songs is from The Little Mermaid. With your grown up have a listen to the song on [https://](https://www.youtube.com/results?search_query=the+little+mermaid+under+the+sea+lyrics)

World Ocean Day– 8th June 2020

Earlier this week it was World Ocean Day. On World Oceans Day, people around the World celebrate and honour the ocean, which connects us all. The aim of this day is for people to work together to start creating a better future and protect our oceans.

This year's theme is 'Innovation for a Sustainable Ocean'- looking at how we can recycle and help to keep our oceans clean.

Use the video link below to explore the sights and sounds under the sea and to hear a story about a little fish called Colin on his first day at school. <https://www.bbc.co.uk/teach/school-radio/listen-and-play-under-the-sea/zm6xwty>

Click on each of the book covers to the right, 'The Rainbow Fish' and 'Smiley Shark', to listen to these fun 'Under the Sea' themed stories.

After engaging with these, discuss with your child the role that recycling can have in helping to keep our oceans clean.

Looks like Evie is looking for sea creatures! Its lovely to see your enjoying the sun and splashing in your paddling pool Evie.

You could have a go at making your own ocean water tray. You will need a large shallow plastic container, some sea animals, some decorative pebbles, a few towels for your floor, a pitcher and some water. Fill your container with water and add your pebbles and sea creatures and off you go!
