

Perry Hall News!

Terrific for Twos

Thursday 25th June

A Place to Grow

Welcome to our sixth year group newsletter– the weeks are flying by! We continue to hope your new routine, whether that involves your child attending school or continuing to work from home, is going well and that you are all remaining safe and well! It has been wonderful speaking to parents and children on our fortnightly calls. Please do contact us if there is anything we can do to support you in any way.

With Children's Art Week coming up the theme of this newsletter is Art through The Natural World. We are hoping to showcase some of your wonderful art work on our school website so please email us your children's creations, with your permission to upload them on to our virtual Art Gallery. Please stay safe - Miss Kohli

Children's Art Week 2020

Children's Art Week is a UK-wide programme run by Engage, the National Association for Gallery Education.

Over the past months, the COVID-19 pandemic has highlighted how essential creativity and the visual arts are for learning, connecting and wellbeing. Engaging in the visual arts is more important than ever.

These year's 2020 themes are...

- Week 1 (from 29 June): The Natural World
- Week 2 (from 6 July): Connecting across generations
- Week 3 (from 13 July): Literacy and creative writing

There are activities and workshops for children of all ages to encourage everyone to #GetKidsCreating. All events and activities are free to take part in and use simple materials that can be found around the house. Details of all Children's Art Week events will be added to the website <https://engage.org/happenings/childrens-art-week/>, so keep checking to see what they have on offer!

Within this newsletter, your child's teacher has also set a series of creative tasks relating to week one's theme, The Natural Word.

We can't wait to see your creations– please email them in to your year group email addresses.

Science- Update from Mrs Holdcroft

Thank you again to everyone who sent in their findings from our last newsletter's enquiry question. This week we have another challenge for you! Again, this is differentiated for younger children (EYFS and KS1) and older children (KS2), allowing siblings to work together on the same activity. Keep emailing in your findings - we love seeing

Science: Skill Focus - Recording

Question

Which type of paper is the most absorbent?

1. Get 3 different types of paper eg. Writing paper, loo roll, kitchen roll.
2. Place a sheet of paper resting over a cup.
3. Drop water onto the paper using a pencil as a dropper.
4. Count how many drops before water appears in the cup.

Question Predict Observe Record Analyse Report

your results!

Try some leaf printing, make it as colourful as you can!

E-Safety

During the school closure, we know that children have a greater exposure to the online world. It is really important that they keep themselves safe. Children and parents can take part in a range of activities at:

<https://www.thinkuknow.co.uk/>

If you have any concerns regarding your child's safety online, and you believe they are being targeted, you can report this through CEOP- the online police.

<https://www.ceop.police.uk/safety-centre/>

Purple Mash

Continue to look out for the tasks continually being assigned to your children for them to access via Purple Mash. Access to Purple Mash can be gained by visiting <https://www.purplemash.com/sch/perryhall>.

Any problems with logins or passwords then please contact us.

Using different materials make a picture of yourself or your grown up! Don't forget to take some photos and send them in to us!

The Natural World- Art Task

Have a go at making your own wildlife animal. You can collect twigs/stones/leaves from your outdoor area!

Don't forget to send in your photos and any work you want to share, check or get marked.

Make sure you email your Year group on ...

Executive Headteacher: Miss R Kohli

Some lovely building with Lego!

Although its not icy outside, you could make some ice of your own at home and try ice painting with the help of your grown up.

Nursery Parents

For those children in Nursery who have requested to return school on Monday 29th June, we can't wait to see you! Please ensure that you have read all of the information that has been emailed out to you and ensure that you have returned your home school agreement to secure a place for your child in school. Without doing this, your child will not be able to return to school on Monday.

Have a listen to The very Quiet Cricket, it's a lovely story about some different wildlife that live in the outdoor area.

Message from your Year Group Staff

To all our Perry Hall family,
We hope you are all safe and keeping well. It has been many weeks since we have seen all our children. We have looked forward to seeing all your lovely photos of you all with your families and you have been very busy doing lots of different things! Please continue to send us your photos as we do look forward to them.
All your teachers miss you all very much and we hope to see you all soon. Twos Staff xx

The Natural World– Art Task

MAKE A STICKMAN

Have a go at making your very own Stickman! This is one of our favourite stories in early years. You can find it on [bbc i player](https://www.bbc.co.uk/iplayer/episode/b06t09rk/stick-man) to listen to aswell!

<https://www.bbc.co.uk/iplayer/episode/b06t09rk/stick-man>

The Natural World– Art Task

Using your finger tips and some paint, have a go at making your very own dandelion. If you want you can pick a different flower to print.

Well done to Akeel who is now using the toilet like a big boy now! Good Job Akeel!

Well done to Akeel on his lovely Jellyfish! Its very colourful!
