## Teriffic for Twos Home Learning

Talk to your grown up about the nursery rhymes, see if you can predict what will happen next.

Try and create your own star, once your grown up has drawn your star shape, try cutting around the edges of your shape before you decorate it, you can use crayons, paints or materials to decorate.

Read different familiar nursery rhymes such as:

Twinkle, Twinkle Little Star

Humpty Dumpty

Incy Wicy Spider

Old MacDonald had a Farm

Five Little Ducks

We sing lots of different nursery rhymes in Twos. Have a go at singing and doing the actions to the songs:

Row, Row Row your Boat

Wheels on the Bus

If your happy and you know it

Sleeping Bunnies

Five little speckled Frogs

Dingle Dangle Scarecrow

One finger, one thumb keep moving

Five little Monkey's

Wind the Bobbin Up

Head, Shoulders, Knees and Toes

Baby Shark Dance

See if you can create your own Five little Ducks, you can use any materials you have in your home (paper plates, paper, crayons, felts) let's get creative!

Have a go at baking star biscuits with your grown up, you can also add some icing sugar and sprinkles to give your star that extra sparkle.

200g unsalted butter, softened

200g whit caster sugar

1 medium egg, lightly beaten

400g plain flour

3 table spoons of icing sugar (decoration)

You could also try to make animal puppets using old socks, you and your grown up could dectorate the sock to be any animal puppet.

Have a go at making animal mask's, you could use paper plates to create you favourite animal from Old MacDonald had a farm, you could dress up too and act as the different characters in the songs.

"1,2,3,4,5 Once I Caught a Fish Alive"

Sprinkles (decoration)

Star cutter

1. In a large bowl mix the butter and sugar until it's a creamy texture.
2. Beat the egg, add the flour and mix to form a dough. Gather the dough into a ball.
3. Preheat the oven to 190C, gas mark 5.
4. Put the dough on a lightly floured surface and knead briefly, then roll out to 3mm thick. Use your star cutter to cut out the biscuits.
5. Place the biscuits onto a baking tray and bake for 12-14 minutes until golden brown at the edges. Remove biscuits from the oven and place on a wire rack to cool, once they have cooled you can then decorate your biscuits.

Try and have a go at the counting with number stones and lego blocks, try from 1 to 10.

Your grown up can write a number on a stone using a marker pen, have a go at matching the amount of blocks to the numbered stones

Can you recall and retell your favourite nursery rhyme to your grown up.

Have a go at making your own musical instrument for example Tin can drums.

Your grown up can take the lid off, all you have to do is decorate a tin can, turn it upside down and use a wooden spoon as the drum stick to create your fantastic sounds, you could play this as you sing to all your favourite nursery rhymes.

Have a go at counting the number of legs on different animals/insects using pictures and toys, try and match it to the numbered stone.

Practice your letter formation. Practise examples can be found on the home learning page on the school website.

Practise counting from 1 – 5. Ask your grown up to write the numbers 1-5 on paper so that you can see them too. See if you can go up to the number 10!  
See if you can go up to the number 10!

Have a go at tracing your name. Ask your grown up to write out your name so that you can trace around it.
