

<p>As well as your daily Maths, Reading and Writing activities (see the website for more detail) try these too.</p>		<p>Can you evidence what you have done? Email us at ph.y3homelearning@perryhallmat.co.uk</p>
<p><u><b>The geographer</b></u> Pick a country from Africa. Create a fact file comparing your chosen country to the United Kingdom. Look at characteristics such as population, languages spoken, weather, housing, and food grown.</p>	<p><u><b>The dancer</b></u> <a href="https://www.youtube.com/watch?v=so3MrmFxdj8">https://www.youtube.com/watch?v=so3MrmFxdj8</a> Watch the following video. This is an African Rain dance. Your task is to create your own African rain dance and record it. This can be emailed to the home learning email address.</p>	<p><u><b>The adventurer</b></u> Imagine you are an adventurer who has a trusty pet sidekick. Your pet follows you everywhere. Can you write an adventure story that you and your pet go on? The pet can be ANY animal you like.</p>
<p><u><b>The biographer</b></u> Throughout African history, there are many famous people of interest. They come from a variety of different backgrounds. We would like you to create a biography about one of these chosen people. Remember to write about their early life, why they are famous, and life time achievements. E.g. Nelson Mandela, Haile Gebrselassie, Jacques Kallis.</p>	<p><u><b>The musician</b></u> African music is a huge part of their lifestyle. Using recycling and scrap resources, can you create your own African instrument?</p> <div data-bbox="1108 738 1417 938">  </div> <div data-bbox="1429 738 1693 938">  </div> <div data-bbox="1704 738 1993 938">  </div>	
<p><u><b>The mask maker</b></u> African masks are used for a variety of different reasons. They are used in social events, but also to control good and evil spirits. Can you create your own African mask to control good and evil spirits?</p>	<p><u><b>The botanist</b></u> In a lot of rural areas of Africa, farmers will grow their own crops to eat and feed the local community. These crops needs caring for all of the time. Your task is to plant, nurture and care for a plant or collection of plants. These could be edible or not. E.g. lettuce, cress, radishes.</p> <div data-bbox="647 954 1072 1249">  </div> <div data-bbox="1541 1082 2011 1297">  </div>
