

Perry Hall News!

Terrific for Twos

Friday 10th July

A Place to Grow

Welcome to our seventh year group newsletter.

Can you believe there is only one week left of this academic year! Between now and next Wednesday, you will be receiving your child's end of school report (via email), information about September. For those that are moving up to the next year group at Perry Hall, a link to a transition presentation from your child's new year group will also be sent to you. Also, in response to the many parents who have contacted school about end of year gifts for school staff, we are all really touched by the number of enquires, however, due to the current circumstances we are unable to receive any gifts. Thank you for your continued support, take care. Miss Kohli.

Perry Hall's Stay at Home Sports Day

Usually, at this time of year, your child would be getting outside to have some fun competing and taking part in various sporting activities during our annual sports day events. So....get your egg and spoons at the ready and go for gold during Perry Hall's Stay at Home Sports Day!

Take part in all the activities suggested in this newsletter in your gardens, living room, bedrooms or even your kitchens if you wish. Enjoy and have fun with your families. Please remember to take some photos and email to us for us to see and, with your permission, upload to our website.

Click the image to download a certificate which you can complete for your child.

Sports Day- Activity 1

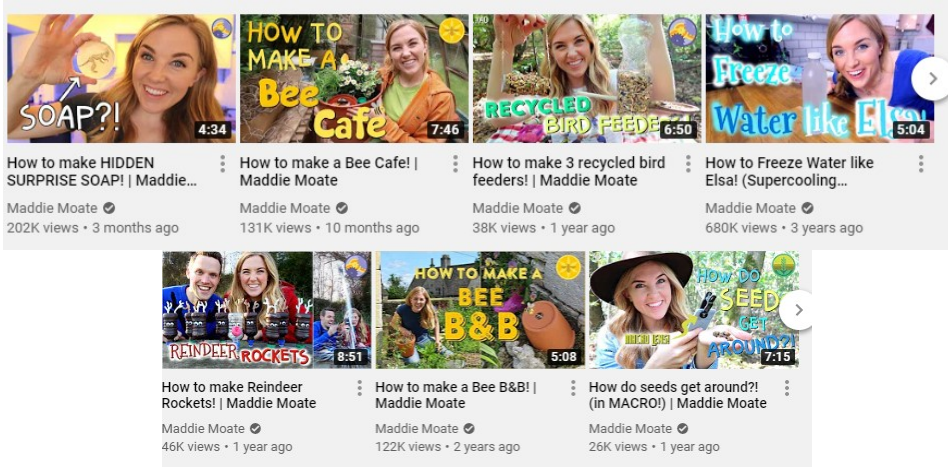

Fishing!

Have a go at fishing some plastic balls from water. You could fish out the plastic balls according to their colour!

Science- Update from Mrs Holdcroft

Thank you again to everyone who sent in their findings from our last newsletter's enquiry question. This week we have another challenge for you; we'd like you take part in one of Maddie Moate's online Science lessons and let us know how you get on. You may recognise Maddie from CBeebies 'Do You Know?', however during lockdown she has continued to promote Science through her YouTube channel: <https://www.youtube.com/user/maddiemoate>

You can show us what you've learnt by taking photos of how you get on. We can't wait to see what you get up to with Maddie!

As well as this, Cbeebies programmes such as 'Do You Know?', 'Grace's Amazing Machines', 'Messy Goes To Okido' and 'Bitz and Bob' are a great introduction to Science and STEM for your children to learn from whilst at home and offer lots of conversation and activity starters with your children for how the world around us works.

Sports Day- Activity 1

DIY Bean bag toss

Grab some paper plates and number them. Then line them up and from a distance throw a bean bag or a ball onto a plate then count up your points!

Staying active doesn't always have to be jumping and running, have a go at this yoga for kids. <https://www.youtube.com/watch?v=X655B4ISakg>

E-Safety

During the school closure, we know that children have a greater exposure to the online world. It is really important that they keep themselves safe. Children and parents can take part in a range of activities at:

<https://>

www.thinkuknow.co.uk/

If you have any concerns regarding your child's safety online, and you believe they

Purple Mash

Continue to look out for the tasks continually being assigned to your children for them to access via Purple Mash. Access to Purple Mash can be gained by visiting <https://www.purplemash.com/sch/perryhall>.

Any problems with logins or passwords then please contact us.

7 MINUTE HIIT WORKOUT FOR KIDS

This is a tough one but one your family can get involved with, a 7 minute kids HIIT workout!

Don't forget to send in your photos and any work you want to share, check or get marked.

Make sure you email your Year group on ...

ph.eyfshomelearning@perryhallmat.co.uk

Colman Avenue, Wolverhampton, WV11 3RT. Telephone number: 01902558538

School website: www.perryhall.co.uk

Email address: perryhallprimarieschool@wolverhampton.gov.uk

Executive Headteacher: Miss R Kohli

You could play football in the garden or in the park with your family.

Hula Hoop Fun!

See who can keep their hula hoop going for the longest time!

Balloon Badminton!

Everyone can join in this and have lots of fun. All you need is some paper plates and balloons and off you go!

Message from your Year Group Staff

Hello everyone, we hope you are all keeping safe and well and have had a chance to get outside and enjoy the sunshine. We are missing all our children and look forward to welcoming you back all in September. Please continue to send us your pictures of activities that you are doing at home.

Stay safe and we will see you soon!
Best wishes from,
Your grown ups at Twos!

Sports Day– Activity 3

The classic egg and spoon race

Real or plastic eggs and spoons and off you go!

Sports Day– Activity 2

Click on the image for a bigger version...

Spell your name PE!

- V- kick your left foot as high as you can
- W- Run in place for 30 seconds
- X- run with high knees
- Y- 5 push ups
- Z- 5 sit ups

The floor is lava!

All you need is some coloured paper or plain squares of paper on the the carpet/floor. You have to try and step onto the squares but beware the lava don't fall in!

Fill the bucket with water.

This is a little bit messy but also lots of fun! You will need some buckets 1 of them full of water at one end of your garden and 2 buckets on the opposite side. You need 1 sponge each that you will dip into the bucket full of water then race down to the opposite bucket and squeeze the water out! See who fills their bucket first! Good Luck!

Fill the Bucket Water Game
