

Perry Hall News!

Year 1

Friday 10th July

A Place to Grow

Welcome to our seventh year group newsletter.

Can you believe there is only one week left of this academic year! I know you are all eager to know more about next year and your child's new class. Between now and next Wednesday, you will be receiving your child's end of school report (via email), information about September and a link to a transition presentation from your child's new year group. Also, in response to the many parents who have contacted school about end of year gifts for school staff, we are all really touched by the number of enquires, however, due to the current circumstances we are unable to receive any gifts. Thank you for your continued support, take care. Miss Kohli.

Perry Hall's Stay at Home Sports Day

Usually, at this time of year, your child would be getting outside to have some fun competing and taking part in various sporting activities during our annual sports day events. So....get your egg and spoons at the ready and go for gold during Perry Hall's Stay at Home Sports Day!

Take part in all the activities suggested in this newsletter in your gardens, living room, bedrooms or even your kitchens if you wish. Enjoy and have fun with your families. Please remember to take some photos and email to us for us to see and, with your permission, upload to our website.

Click the image to download a certificate which you can complete for your child.

Sports Day- Activity 1

Sports day is lots of fun. You could have your own sports day at home.

- Use some of your garden toys to set up an obstacle race.
- Boil some eggs and have an egg and spoon race.
- Have a running race around your garden
- Have a skipping race.
- Measure who can jump the furthest/highest.

Science - Update from Mrs Holdcroft

Thank you again to everyone who sent in their findings from our last newsletter's enquiry question. This week we have another challenge for you; we'd like you take part in one of the University of Wolverhampton's STEM team's online lessons and show us what you've learnt! <https://www.youtube.com/channel/UCm6KgKJcT9ksy2I3h4yEcDQ>

You can show us this by making a poster, a model or diagram and sending your pictures of them in.

UNIVERSITY OF WOLVERHAMPTON

@STEMResponseWLV
We'll also be running "AMA"s where you can chat with us **LIVE** on Twitter! Join us daily 12:00 - 13:00.

STEMResponseTeam@wlv.ac.uk

Last week's STEM team video was all about fossil hunting locally at Wren's Nest and can be found here: <https://www.youtube.com/watch?v=BZ237a4vD9Q&feature=youtu.be>

If you fancy a socially distant fossil hunt, the Uni's resources can be found here <https://www.wlv.ac.uk/media/departments/faculty-of-science-and-engineering/fse-2019-images/>

Eva and her brother have been thinking about the environment. They decided to go litter picking at their local park.

They collected two bags of rubbish and had fun using their litter pickers. Well done to them both.

E-Safety

During the school closure, we know that children have a greater exposure to the online world. It is really important that they keep themselves safe. Children and parents can take part in a range of activities at:

<https://www.thinkuknow.co.uk/>

If you have any concerns regarding your child's safety online, and you believe they are being targeted, you can report this through CEOP- the online police.

<https://www.ceop.police.uk/safety-centre/>

Purple Mash

Continue to look out for the tasks continually being assigned to your children for them to access via Purple Mash. Access to Purple Mash can be gained by visiting <https://www.purplemash.com/sch/perryhall>.

Any problems with logins or passwords then please contact us.

Thomas continues to work hard looking after his bean plants. His beans have grown and are ready to eat!

Don't forget to send in your photos and any work you want to share, check or get marked.

Make sure you email your Year group on ...

ph.y1homelearning@perryhallmat.co.uk

Colman Avenue, Wolverhampton, WV11 3RT. Telephone number: 01902558538

Executive Headteacher: Miss R Kohli

Mitchell has been completing lots of home learning activities

Porsche painted some lovely stone bugs as part of her nature art project.

Layla set her butterflies free. She had looked after them since they were eggs and watched them grow each day.

Message from your Year Group Staff

Hello everyone. We hope that you are still working hard at home and trying your best. It will soon be the Summer holidays and then we can all have a break and hopefully get outdoors and enjoy some nice weather and catch up with family and friends. In the meantime, please do continue to let us know what you are doing at home—we love to see your photos and it is nice for you to see them in the newsletter. We continue to miss those of you who are learning at home and look forward to September when we can see you again. Love from all the Year One staff.

Sports Day— Activity 3

Do some more Yoga with Jaimie
She has lots of new stories to tell.
Try the Bear Hunt one. It's lots of fun.

Challenge Yourself.

60 Second Challenge Star Jumps

The Physical Challenge

How many star jumps can you complete in 60 seconds?

Make sure you clap your hands above your head and bring your feet together.

#StayHomeStayActive

Can you maintain your technique even when you are tired?

Achieve Gold

60 seconds or more

Achieve Silver

45 seconds or more

Achieve Bronze

30 seconds or more

Luke in 1DL has been working hard on the Home Learning activities .

Luke has been comparing photos from when he was younger to now.

This is Luke now and when he was three. Wasn't he cute!
