

Perry Hall News!

Year 2

Friday 10th July

A Place to Grow

Welcome to our seventh year group newsletter.

Can you believe there is only one week left of this academic year! I know you are all eager to know more about next year and your child's new class. Between now and next Wednesday, you will be receiving your child's end of school report (via email), information about September and a link to a transition presentation from your child's new year group. Also, in response to the many parents who have contacted school about end of year gifts for school staff, we are all really touched by the number of enquires, however, due to the current circumstances we are unable to receive any gifts. Thank you for your continued support, take care. Miss Kohli.

Perry Hall's Stay at Home Sports Day

Usually, at this time of year, your child would be getting outside to have some fun competing and taking part in various sporting activities during our annual sports day events. So....get your egg and spoons at the ready and go for gold during Perry Hall's Stay at Home Sports Day!

Take part in all the activities suggested in this newsletter in your gardens, living room, bedrooms or even your kitchens if you wish. Enjoy and have fun with your families. Please remember to take some photos and email to us for us to see and, with your permission, upload to our website.

Click the image to download a certificate which you can complete for your child.

Sports Day- Activity 1

Can you create your own obstacle course using different equipment in your garden. Have a go at timing yourself and see how fast you can complete it. Then challenge your family members to a race and see who completes the course the quickest.

Science - Update from Mrs Holdcroft

Thank you again to everyone who sent in their findings from our last newsletter's enquiry question. This week we have another challenge for you; we'd like you take part in one of the University of Wolverhampton's STEM team's online lessons and show us what you've learnt! <https://www.youtube.com/channel/UCm6KgKJcT9ksy2I3h4yEcDQ>

You can show us this by making a poster, a model or diagram and sending your pictures of them in.

Last week's STEM team video was all about fossil hunting locally at Wren's Nest and can be found here: <https://www.youtube.com/watch?v=BZ237a4vD9Q&feature=youtu.be>

If you fancy a socially distant fossil hunt, the Uni's resources can be found here <https://www.wlv.ac.uk/media/departments/faculty-of-science-and-engineering/fse-2019-images/>

Jax M has sent in lots of interesting facts about ants and bees. Look at that lovely handwriting too!

E-Safety

During the school closure, we know that children have a greater exposure to the online world. It is really important that they keep themselves safe. Children and parents can take part in a range of activities at:

<https://www.thinkuknow.co.uk/>

If you have any concerns regarding your child's safety online, and you believe they are being targeted, you can report this through CEOP- the online police.

<https://www.ceop.police.uk/safety-centre/>

Purple Mash

Continue to look out for the tasks continually being assigned to your children for them to access via Purple Mash. Access to Purple Mash can be gained by visiting <https://www.purplemash.com/sch/perryhall>.

Any problems with logins or passwords then please contact us.

Natural Art Competition winner is.....

Veeran. W from 2SB. Well done you have created a person and a boat from natural materials. Well Done!

Don't forget to send in your photos and any work you want to share, check or get marked.

Harleen D has been a busy bee with her home learning. What a lovely story about a ladybird!

Mia has been baking delicious cakes at home. Well done Mia.

Alex M has been doing some fantastic activities at home.

Good job Alex!

Message from your Year Group Staff

Hello to all of our wonderful year 2 children! We have missed you so much and it has been lovely having a catch up with you all on the phone. Thank you also for all of the fantastic photos you have been sending in, it has been wonderful to see how much you have grown and all the exciting activities you have completed during this time. All of the Year 2 team want to wish you all the best of luck in year 3! You all will be amazing! Remember keep smiling, never give up and keep working hard! See you in September.

Sports Day- Activity 3.

Have a go at the Agility challenge below on the link below. There is a hidden challenge inside.

<https://www.youtube.com/watch?>

Twinkl Sports Day at Home

Event: Timed Agility Challenge

Move between the track of objects, turning each one over as you pass it. It requires quick, light movements on your feet and changing direction.

Equipment

A timer and five objects, such as beakers, that can be turned over one way and then the other.

What to do

1. Set up the five objects in a zigzag formation similar to the layout in the picture.
2. You will be timed as you move through the track, turning each object over as you pass it.
3. Once you get to the end, turn around and move back through the track putting the objects back the other way.
4. You will have one minute for this and will score one point for each full set of objects you turn over.

- 1 Get down low to turn over the objects, bending from the knees.
- 2 Move quickly between the objects, staying nice and light on your feet.
- 3 Use a sidestepping action between the objects.
- 4 Place the objects down carefully so that they don't fall over.

Watch the video [here](#) to see how it is done.
