## Year 3

Friday 10th July

A Place to Grow

### Welcome to our seventh year group newsletter.

Can you believe there is only one week left of this academic year! I know you are all eager to know more about next year and your child's new class. Between now and next Wednesday, you will be receiving your child's end of school report (via email), information about September and a link to a transition presentation from your child's new year group. Also, in response to the many parents who have contacted school about end of year gifts for school staff, we are all really touched by the number of enquires, however, due to the current circumstances we are unable to receive any gifts. Thank you for your continued support, take care.

Miss Kohli.

### Perry Hall's Stay at Home Sports Day

Usually, at this time of year, your child would be getting outside to have some fun competing and taking part in various sporting activities during our annual sports day events. So....get your egg and spoons at the ready and go for gold during Perry Hall's Stay at Home Sports Day!

Take part in all the activities suggested in this newsletter in your gardens, living room, bedrooms or even your kitchens if you wish. Enjoy and have fun with your families. Please remember to take some photos and email to us for us to see and, with your permission, upload to our website.

Click the image to download a certificate which you can complete for your child.

### E-Safety

During the school closure, we know that children have a greater exposure to the online world. It is really important that they keep themselves safe. Children and parents can take part in a range of activities at:

<https://www.thinkuknow.co.uk/>

If you have any concerns regarding your child's safety online, and you believe they are being targeted, you can report this through CEOP- the online police.

<https://www.ceop.police.uk/safety-centre/>

### Purple Mash

Continue to look out for the tasks continually being assigned to your children for them to access via Purple Mash. Access to Purple Mash can be gained by visiting <https://www.purplemash.com/sch/perryhall>.

Any problems with logins or passwords then please contact us.

Ava E 3LT has enjoyed collecting natural materials from Chasewater and then created an amazing face using everything she had found.
