

Perry Hall News!

Year 4

Friday 10th July

A Place to Grow

Welcome to our seventh year group newsletter.

Can you believe there is only one week left of this academic year! I know you are all eager to know more about next year and your child's new class. Between now and next Wednesday, you will be receiving your child's end of school report (via email), information about September and a link to a transition presentation from your child's new year group. Also, in response to the many parents who have contacted school about end of year gifts for school staff, we are all really touched by the number of enquires, however, due to the current circumstances we are unable to receive any gifts. Thank you for your continued support, take care.

Miss Kohli.

Perry Hall's Stay at Home Sports Day

Usually, at this time of year, your child would be getting outside to have some fun competing and taking part in various sporting activities during our annual sports day events. So....get your egg and spoons at the ready and go for gold during Perry Hall's Stay at Home Sports Day!

Take part in all the activities suggested in this newsletter in your gardens, living room, bedrooms or even your kitchens if you wish. Enjoy and have fun with your families. Please remember to take some photos and email to us for us to see and, with your permission, upload to our website.

Sports Day- Activity 1

Try these sports days activities at home.

<p>Obstacle Course</p> <p>How many obstacles can you run around or jump over in 60 seconds? Be creative! Place out objects such as pillows, teddies etc around the space. Each time you jump over an object you score a point.</p> 	<p>Skipping Challenge</p> <p>How many times can you skip in 60 seconds? Both feet must land over the rope for the skip to count. <i>If you do not have a rope, do not worry, you can jump on the spot or use a dressing gown rope!</i></p> 	<p>Socks in the Box</p> <p>How many socks can you pair up and put in the box in 60 seconds? Place unpaired socks 5 steps away from a box. Players run, match up a pair of socks and place them in the box.</p> 	<p>Standing Long Jump</p> <p>Each participant takes a turn at a long jump. Add markers to the floor to measure how far they've jumped, gaining points for each marker reached.</p>

E-Safety

During the school closure, we know that children have a greater exposure to the online world. It is really important that they keep themselves safe. Children and parents can take part in a range of activities at:

If you have any concerns regarding your child's safety online, and you believe they are being targeted, you can report this through CEOP- the online police.
