PERRY HALL September 2020 How will it work for Twos?

To ensure the safety of our children, parents and staff, we will be implementing these measures from September.

Handwashing

Children will wash their hands with soap and water on entry to school, just before they go home and before and after eating. They will be taught to wash their hands using the step by step guidance from government, for 20 seconds.

Social Distancing

Social distancing guidelines for schools will be followed at all points throughout the session.

When in class, children will rotate around activities set up at work stations, which will be cleaned regularly.

Healthy Snack

A healthy snack will be provided for your child to eat during their session.

Uniform

Please see information in transition slides regarding full uniform expectations.

Each Two's child will need to bring in a bag containing spare clothes including a complete spare outfit, pants, socks and a pair of wellies.

One Way

When bringing your child to school, please follow the one way system that we have in place. See next page for diagrams and a full explanation.
