## The 'New' Normal

Our first priority is the safety of our pupils, families and staff members whilst at school.

Behind the scenes, our staff have been working hard to implement measures to make our children feel safe and secure on their return to school.

This means school life will look a little different from September, and this presentation highlights some of these changes - all of which have been made in line with the latest Government guidance for schools.

### Risk Assessments

- A full risk assessment has been carried out for all staff and pupils in school. This has been done in line with Local Authority, Government guidance and in conjunction with our Trust independent Health and Safety consultancy.
- Details of these risk assessments will be shared verbally with all of our pupils when they return to school in September.

# Social Distancing

- Whilst in school, pupils will remain in Year Group bubbles.
- Pupils will be kept apart wherever possible and will avoid mixing with pupils from other bubbles.
- Pupils will be asked to respect the personal space of others and will be reminded of the importance of hygiene.

# Hand Washing

- Pupils will be asked to wash their hands on arrival in school and regularly throughout the school day.
- Children will be taught and reminded of the recommended NHS technique for washing their hands.
- Posters with hand-washing instructions will be displayed around school.
- Hand gels are not to be brought into school by pupils.

# PPE (Personal Protective Equipment)

Current government guidance states that PPE is not required in school.

Any children arriving wearing a mask will be asked to remove it before entering school.

School has been stocked with relevant PPE for staff to use for specific situations where:

- Children whose care routines already involve the use of PPE and will receive their care in the same way.
- A child becomes unwell with symptoms of Covid-19 while in their setting and needs direct personal care until they can return home and a distance of 2 metres cannot be maintained.

Any child travelling to school via public transport must wear their mask on the journey and remove it before entering the school.

## Uniform

- All pupils should attend school wearing full school uniform.
- On days where pupils have PE lessons, they will be required to arrive into school wearing their PE kit (**plain white t-shirt**, **plain black jogging bottoms and trainers**) and will remain in their kit throughout the school day.

#### PE days:

Monday	Tuesday	Wednesday	Thursday	Friday
Year 3	Year 2 Year 6	Year 1 Year 5	RCR Year 4	REP

#### PE lessons will begin week beginning 7th September.

- Uniforms do not need to be cleaned any more often than usual, nor do they need to be cleaned using methods which are different from normal.
- For full uniform list please see year groups slides sent out in July.

#### Label everything!

# Boys

- Sweatshirt Dark green
- Shirt White
- Pullover Dark green
- Tie Dark green with yellow stripe, with or without elastic
- Trousers Grey
- Shoes Black

# School Uniform

#### Girls

- Blouse White
- Cardigan Dark green
- Pinafore Grey
- Skirt/trousers Grey

- Shoes Flat, black

#### **Footwear**

It is essential that children wear suitable footwear for school that allows their feet adequate room and gives proper support and ventilation. For this reason, please do not send children to school wearing fashion shoes or trainers.

#### **Jewellery**

In order to ensure adequate safety standards, particularly in organised games and physical education, children should not wear jewellery, especially earrings while at school. Studs are allowed, but must be removed or covered over for PE and games.

### **Summer Options**

All pupils – White polo shirts
Girls have the option to wear a green and white checked dress
Boys have the option to wear grey shorts

#### Where to Buy

All items can be purchased from Kids Corner, located on Showell Circus, Low Hill, Wolverhampton.

## Illness

Pupils should not attend school if they have any symptoms of Covid-19.

Pupils should self-isolate at home if someone in their household has a confirmed case of Covid-19 or is showing symptoms <a href="mailto://www.gov.uk/government/publications/covid-19-stay-at-home-guidance">://www.gov.uk/government/publications/covid-19-stay-at-home-guidance</a>

Parents should inform school immediately of any suspected or confirmed cases of Covid-19 in their household.

If a child develops symptoms whilst in school they will be moved to an isolated area where they will be supervised by a member of staff until they can be collected.

All families must follow the NHS Test and Trace guidance in the event of someone in their household having a confirmed or suspected case of Covid-19, or if you have been contacted by NHS Test and Trace and have been in contact with someone who has had a confirmed case of Covid-19.

More information on the NHS Test and Trace system can be found below:

https://www.nhs.uk/conditions/coronavirus-covid-19/testing-and-tracing/nhs-test-and-trace-if-youve-been-in-contact-with-a-person-who-has-coronavirus/

# Remote Learning

- Where children are unable to attend school due to having to self-isolate, they will be set work to do at home by their Teacher.
- Work is likely to be set via our new Office 365 Pupil Platform. Pupils are able to access this online system via a school email address and Teachers can set and mark work remotely. Free training and support for families is available here: <a href="https://learn.tablet-academy.com/free-support/">https://learn.tablet-academy.com/free-support/</a>.
- More information and a FAQ sheet on remote learning will be sent out in the coming weeks.
- In the event of a local lockdown, alternative provision will be in place to ensure that all children are able to continue their learning from home.

## Lesson Time

- Most classrooms have been re-arranged so that pupils face the front of the class.
- Pupils must sit in their designated seating plan.
- In Early Years (and Year 1 for the first half term) children will rotate around activities set up at work stations.
- Windows and doors will remain open as much as possible to provide ventilation throughout the school day.
- Learning areas will be disinfected before and after each period of use throughout the day.
- Each child will be provided with a learning pack, therefore no pencil cases or additional stationary will be required in school.

#### Movement Around School

All movements around school, such as breaktimes and lunchtimes etc, have been staggered to ensure that there is limited contact between different bubble groups.

#### **Toilet Visits**

- Wherever possible, children should not be leaving their lessons to go to the toilet.
- All children will be encouraged to make use of their break and lunch times to go to the toilet.
- If a child does need to use the toilet during a lesson, they will be sent one at a time to use their designated bubble group's toilet and sink.
- Handwashing posters have been displayed within toilet areas to promote hygiene.

# The School Day

- Each year group bubble has been assigned a start and finish time.
- Parents are asked to arrive at their allocated time to ensure that social distancing can be maintained and our one way systems can run smoothly.
- Each year group bubble has been assigned an entrance and exit point.
- If you are dropping off children in different phases, then please still abide by the different one way systems, i.e. if you drop off a KS2 child first then please exit the site via the KS2 exit and then return back in via the KS1/EYFS entrance at your allocated time.
- Parents are asked not to wait around on the school site and to make their way home as soon as their children have been dropped off / collected.

There will be no singing in school until Government guidance states otherwise.

Reminder- all Reception, Year 1 and Year 2 children are entitled to a free school meal.

## Wellbeing Curriculum

Mental health and well-being support will be provided consistently to all of our children to support them with their return to school and their transition into their new year group.

Pupils will continue to be reminded of our high expectations, our core values and our school behaviour policy.

Pastoral support is available through our skilled practitioners within your child's year group bubble as well as through our Inclusion Team

# School Behaviour Policy

Our school behaviour policy is available on the school website.

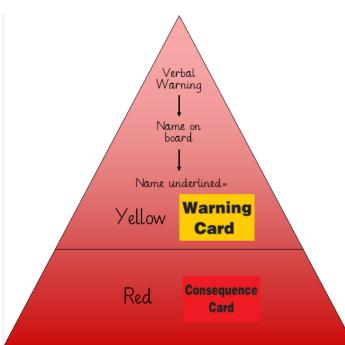

We aim to foster an environment which is rich in learning, based upon the diversity of the school. The expectations for behaviour should reflect this, inclusive of the children, parents, staff and the wider community. The Governing Body and the staff accept this principle and seek to create an environment which encourages and reinforces good behaviour.

#### Please note:

Due to changing government guidelines as a result of the pandemic, we will ensure we communicate any changes made to our behaviour policy throughout the year.

Overnight residential trips are not yet permitted as per Government guidance.
