### Re: Wearing of Face Coverings

Dear Parents and Carers,

As an added preventative measure to contribute to helping to stop the spread of Covid-19, at a time when cases are rising and Wolverhampton has entered a local lockdown, **we are recommending and politely requesting that parents/carers wear face coverings when on school site picking up or dropping off their children and when at the school gate from Thursday 24<sup>th</sup> September.** We are fully aware that there will be some people exempt from wearing face coverings, in line with government guidelines.

As infection rates in the area rise again, this is a sensible precaution for parents/carers to take to help lower the risk of infection where social distancing is slightly more difficult- areas such as the main gate and at classroom exit points.

Additionally, government guidelines state, *'Family and friends can continue to provide informal childcare as long as groups from different households don't exceed 6 people and the activity is strictly limited to childcare needs'*. Please ensure that you are adhering to this and, only as a last resort, phone into the office to request that friends and family (who are not logged on our system as usual contacts) collect your children from school.

We hope you will support us with both of these matters to ensure that Perry Hall remains a safe environment for your children and thank you for playing a part in preventing the spread of infection.

Yours sincerely

Miss Kohli

Executive Headteacher
