Perry Hall News!

Friday 18th September

A Place to Grow

Welcome to Perry Hall News, a weekly newsletter to celebrate our achievements and keep you up-to-date with upcoming events.

A huge well done to our Two's and Nursery children...

This week has been the first full week at Perry Hall for our youngest members of school. We would like to welcome all of our Two's and Nursery children, and their families, to our Perry Hall family and we look forward to building positive relationships with you all. The children have made a great start to their school journey and are quickly settling into their new routines and into their new environments.

Congratulations to Year 1!

A special message from Mrs Russell, Mrs Williams, Miss Scott and Miss Stanyer.

We are all incredibly proud to share with you our exciting news. Whilst in Reception last year, you all wrote some remarkable riddles! These were entered into a competition and we are pleased to tell you that your work has been chosen to be published in a book. Your grown ups have been sent a letter with more information that they can share with you.

We hope you are proud of your certificates and book mark that your Year 1 teachers have handed to you. Keep up the good work- Miss Kohli is really looking forward to reading your riddles again when the book is printed.

Polite reminder...

When exiting school (via the one way system) at the end of a school day, please ensure that you closely supervise your children and ensure that they do not play on school equipment. After each session, the play equipment has to be wiped down in line with Covid-19 guidelines and therefore, if used by children on the way out of school, needs to be re-cleaned again.

Thank you for your cooperation with this matter.

Are you this week's star of the week?

A child from each class is chosen as Star of the Week for doing something special during that week. It may be related to their work, behaviour and/or their attitudes to learning .
