

Important Reminder...

Please remember, if your child displays any symptoms of Coronavirus or a member of your household or support bubble tests positive for Coronavirus, you must inform the school office as soon as possible. We need to be informed under any circumstance: whether your child has been in school, absent for any reason or if your child/family have been isolating and your child starts displaying symptoms/tests positive while off.

Over half term, it is vital that we continue to still receive this information.

Please update us during this time using the school office email address:

Executive Headteacher: Miss R Kohli

Perry Hall News!

Friday 23rd October

A Place to Grow

Welcome to Perry Hall News, a weekly newsletter to celebrate our achievements and keep you up-to-date with upcoming events.

How have we been celebrating in school?

Update from Year 5

For Black History Month, Year 5 have been focusing on the history of the Windrush Generation and we compared the geographical differences between the West Indies and London.

In art we looked at the Notting Hill Carnival and created some carnival inspired masks and painted traditional Afro-Caribbean art. In music we explored the evolution of reggae, Jamaican ska and 2 tone.

Update from Year 3

Year 3 have been grooving to the music of Diana Ross and learning about her career as a singer. They also enjoyed making portraits of the singer using mediums including lentils, coffee beans, coloured fabrics creating a host of contrasting textures and visuals.

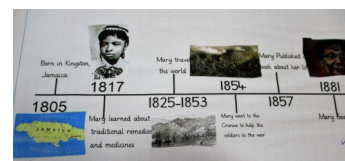

Update from Year 4

Year 4 have been busy learning all about Bob Marley and his achievements as well as writing their own lyrics for the song '3 Little Birds.' The children have also looked at Pop art and have created some lovely images.

Update from Year 1

In Year 1, the children have been enjoying learning about the life of Mary Seacole.

Update from Year 2

We have been looking at Barack Obama. We have used a range of materials to collage a picture of him. We have found out why he is significant and what he did during his time as president.

Are you this week's star of the week?

A child from each class is chosen as Star of the Week for doing something special during that week. It may be related to their work, behaviour and/or their attitudes to learning.
