Dear Parent/Carer

In Early Years, the children’s learning is shaped by educational programmes as set out in the EYFS statutory framework in seven areas of learning. At the end of Reception, we assess your children and decide if they have met a set of early learning goals in those seven different areas of learning. The government have now reformed the details of the educational programmes and the early learning goals and has offered schools the chance to adopt these one year earlier than the statutory roll out in 2021.

At Perry Hall, we are pleased to inform you that we have chosen to be an early adopter school. This means that we will be required to follow the curriculum and assessment requirements as set out in the statutory framework for the Early Years Foundation Stage: EYFS reforms early adopter version July 2020.

Please find below an outline of the current statutory framework 2017 and the changes that have been set out in the new revised statutory framework 2020:

The staff are already planning learning opportunities based on the new guidance and we are confident that the changes that have taken place will support us to continue to deliver an exciting and engaging curriculum.

As part of the revised framework, the local authority are no longer required to moderate the judgments of each school at the end of Reception. However, we will continue to moderate the accuracy of our judgments with our partner schools within Perry Hall Multi Academy Trust and with other schools within the local authority.

Nothing will change for you or your child. We will continue to offer them the highest quality learning experiences in school and we will continue to develop the whole child, thinking about how they learn and who they are as individuals. We hope that your child is unaware that anything different is going on, it is definitely business as usual for them!

If you wish to know more about the early adopter scheme, please contact the school and we will do our very best to answer any further questions.

Yours sincerely,

Miss Kohli
