Nursery Home Learning Autumn

We're Going on a Leaf Hunt

This Home Learning grid encourages you to join in with activities based upon the story 'We're Going on a Leaf Hunt.'

Watch this link to listen to the story being read;

<https://www.youtube.com/watch?v=uLAFeVPPhsw>

Talk to your grown up about the story.

Questions to think about;

- Do you have a favourite part of the story?
- Can you join in with the sounds in the story; huff, puff, squish, squash, splish, splash, plip, plop.
- What did the children collect through the story?
- Where did they go on their adventure?
- Where do you think they might go on their next adventure?

An Autumn Walk

Go on an Autumn walk - what signs of Autumn can you see?

Some suggestions of things to look out for;

- Changing colour of leaves,
- Berries on bushes and trees,
- Pinecones,
- Conkers,
- Acorns.

Take photos of the objects you find. Send them in to us via our email; nurseryhomelearning@perryhallmat.co.uk

We would love to see them!

Leaf Sorting

On your Autumn walk collect lots of leaves. Can you sort the leaves from **big** to small?

Can you sort them into their different Autumn colours - red, yellow, green, brown, orange?

Create your own mud picture!

1. Collect a bowlful of mud from the garden. Add water if needed.
2. Check the mud for living creatures and return them to the garden.
3. Divide the mud into how many containers you like - decide what colour each batch of mud is going to be.
4. Sprinkle in your powdered paint or choice of colouring.
5. Add a small amount of washing up liquid.
6. Mix together the mud, colouring and washing up liquid.
7. The paint is then ready to use where ever you choose outside. It may just be on paper or on the trees, pavement, fence etc.

Leaf Printing

Using Autumn colours create your own picture using leaves found on your Autumn walk. What do you notice about the leaf prints?

Cosmic Kids help children become. . .

Stronger

Calmer

Wiser

Try this at home

<https://www.youtube.com/user/CosmicKidsYoga>

Nature Collage

Using the Autumn objects found on your Autumn walk can you create a nature collage?

Have a go at creating your own self portrait using the natural objects. Can you tell your grown up about your picture?

Musical Instruments

Find some musical instruments or make your own, some pasta in a plastic bottle or 2 wooden spoons would be fine. Can you play your instrument loud and quiet? Can you copy your grown-up? Take it in turns to copy each other.

Explore different ways of playing your instrument. E.g. tapping on the floor, on your knees or shaking up in the air. Take it in turns to be the leader by playing your instrument in different ways.

Try making different rhythms with your instruments. Can you copy what you hear?

Continue to practise writing your name each day.

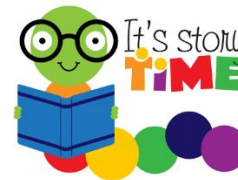

What do you notice about some of the letters in your name? Which letters are curved and which letters are straight?

We love reading and sharing stories.

When looking at books talk to your grown-ups about the pictures. What is happening in the story?

What is your favourite story at home?

We encourage children to be independent learners.

As the cold weather is approaching we are practicing getting our coats and wellies on for outdoor learning independently.

Can you put your coat on by yourself? Try putting your hood on first and then your arms in after.
