Dear parents/carers

R.e. Homework: Nursery

Our focus for this half term is to establish a COVID-secure system for issuing homework across school. Perry Hall believes that homework is an important part of the learning process for our children. We look forward to continuing to work in partnership with you and thank you in advance for your involvement in supporting your child with their homework activities.

The grid below provides you with an overview of the homework opportunities that are available to your child and how you will be able to access them:

Homework	What is required?	Where will I find this?	Do I need a log in?
Topic Grid (half termly)	A range of engaging tasks, related to your child's topic and covering all curriculum areas, will be set each half term. Children can work through these and send evidence of their completed work to their year group email address.	Accessible via our school website- a text link will be sent to you.	No

If you have any concerns about the homework your child is receiving, or you are unsure about how best you can support your child's learning, the first point of contact must always be with your year group staff via phone or through the year group email address.

Yours sincerely

Miss R Kohli

Executive Headteacher.
