# Perry Hall News!

## Friday 6th November

### A Place to Grow

Welcome to Perry Hall News, a weekly newsletter to celebrate our achievements and keep you up-to-date with upcoming events.

### Welcome to Autumn 2...

We hope you are keeping well and safe and have enjoyed the half term break.

Hopefully you will have had chance to view the letter sent out to you on Wednesday, providing you with an overview of all of the exciting themed days we have planned in for throughout this half term. If not, please follow this link:

<https://www.perryhall.co.uk/wp-content/uploads/2020/11/Autumn-2-Parent-dates.pdf>

We thank you in advance for your support with these days which your children thoroughly enjoy and which bring some 'normality' back into school life. Additionally, later in November we have our parent consultation evenings, where you will be able to find out about how your child has settled in to their new year group and the progress they have made in their learning so far this year. More information will follow regarding this early next week.

We look forward to another successful half term, whilst at the same time appreciating that this is an uncertain time for everyone. Our priority is to keep everyone as safe as we can and together, as a community, we are certain that we can do so by following the guidance and adhering to the rules.

Below are some key reminders and updates of how we can help ensure this.

### Important Reminders and Updates...

In light of us entering the second national lockdown, with Covid-19 cases on the rise, we would like to remind all adults who enter the school site that a face covering must be worn unless you are exempt. This is to protect all other parents and adults and to reassure our community; we thank all adults who have already shown your support by wearing a face covering when dropping off and collecting children.

Additionally, please continue to keep 2m distance from all other families when dropping off and collecting your child from school – as we are all aware, the mixing of households, indoor and outdoor, is currently not allowed.

The one way system around school continues to be in place and is proving to be effective – thank you to those families that are adhering to this. Please could all EYFS (Reception, Nursery and Twos) parents ensure that they do not take the shortcut route when dropping off children in a morning and enter the car park through the exit – please walk around the one way system that is in place.

Wherever possible, to reduce the number of people on site at any one time, please could only one person come to drop off and collect children.

### Are you this week's star of the week?

A child from each class is chosen as Star of the Week for doing something special during that week. It may be related to their work, behaviour and/or their attitudes to learning.
