

Year 5: w.b. 25th January 2021

Remote Learning Arrangements during School Closure and Half Termly Topic Grid

Year Group Updates and Reminders:

Another incredibly positive week! We have been dropping in to some of our live lessons each day and we have seen enthused and engaged children all enjoying their virtual bubble and learning new skills. In school, the children have settled well into their smaller year group bubbles and are enjoying the opportunity of joining the live sessions to see their peers, whilst being taught by different members of their year group staff each day. We have seen smiles across faces which is brilliant, particularly when there is so much worry around us as pandemic figures continue to cause concern. It is wonderful to see some of the work that children are producing and it is clear that many of them are working really hard - keep up the good work! To help continue to promote engagement and the motivation of our learners, look out for our newly introduced 'Remarkable Remote Learner' praise certificates, which will be emailed out to parents/carers to acknowledge their child's commitment to their learning. We hope that you are all keeping well during this time and managing to balance home learning commitments with making time to relax with your families.

Take care and keep safe, Miss Kohli and Mrs Gibbins.

We are really pleased with the effort that Year 5 are putting into their work, both on Teams and in school. We would like to wish a very happy birthday to Mason on Friday 22nd January, Bradley on Sunday 24th January, Amelia on Sunday 24th January and Olivia B on Monday 25th January.
