Welcome to Perry Hall News, a weekly newsletter to celebrate our achievements and keep you up-to-date with upcoming events.

NSPCC Number Day 2021

On Friday 7th June, children are to come to school 'dressed in digits' (wearing clothing decorated in numbers/displaying numbers somehow). The morning will involve a range of mathematical fun for the children, whilst highlighting the valuable role that the NSPCC plays.

Mrs Weston (2SB)

A final thank you to Mrs Weston for the wonderful job she has done as part of the Year 2 team. Thank you for everything you have done for the PH family— you will be missed by all. 

Virtual Basketball Competition

Congratulations to our virtual basketball winners! Before Easter, children from Y1, 3, 5 and 6 undertook 4 different types of basketball drills. Their scores were recorded and then compared against other schools across the whole of the Black Country. We are proud to announce that Perry Hall had 8 gold, 12 silver and 15 bronze medal winners. This is a fantastic show of dedication and commitment and we couldn't be prouder. Well done to everyone that took part, especially to all the winners.

Welcome back to the Summer Term....

We have had a fantastic first week of the Summer Term back in school. The children of Perry Hall have settled extremely well into their school routines and it has been great to see so many happy, smiley children filling the building— keen to engage in their learning. We hope you have found the information sent out to you over the course of this week useful in both supporting your child's return to school and also their learning from home. Below is an overview of what has been sent to you together with the links to where you can find them on our website.

Friday 30th April— Awareness Raising Day— Limb Loss Awareness Month 2021

Next Friday, 30th April, in celebration of Limb Loss Awareness Month 2021, we will be hosting an awareness raising day in school for the children. On Friday 30th, please could your child wear as much or as little orange clothing as they wish— we cannot wait to see the children's orange flair! During the morning,

each year group will engage in a sporting activity that involves them having the opportunity to experience some of the challenges that an amputee may experience. We can't wait to share some photos and accounts of this day with you in a future newsletter.

Are you this week's star of the week?

A child from each class is chosen as Star of the Week for doing something special during that week. It may be related to their work, behaviour and/or their attitudes to learning.
