## Year Group Specific Information:

Welcome back to Two's, we hope you have all had a lovely Easter.

As the warmer weather approaches can we remind parents/carers of the following: -

- Sun lotion is to be applied prior to children arriving to Twos.
- On the warmer days, please provide your child with a labelled sun hat.
- Labelled water bottle to be provided daily.

### Sunflowers and Cress.

Before Easter, our children were given Sunflowers and Cress seeds that they had planted at school. We would love to see photos of how much progress the seeds have made and for children to talk to us about how they have looked after them during the holidays. Please don't forget to send us pictures of how you are getting along. We hope you have enjoyed looking after the seeds at home! The children will continue to plant seeds at school and use different tools to tend for their plants. Look out for our beautiful wellington plant pots created by our Two's staff!
